

Abia Judd School has consistently been one of the highest-achieving schools in northern Arizona for many years. In addition to numerous national and state awards, such as “National School of Excellence” and “A+ School of Excellence,” Abia Judd focuses on education of the whole child. Our student Character Council, monthly character assemblies, and weekly recognition of “Kids of Character” are examples of Abia Judd’s focus on partnering with parents to help develop responsible, caring community members. Our excellent music, art, and PE classes are important supplements to Abia Judd’s rigorous academic offerings in mathematics, reading, writing, humanities, and science. Robust after-school club offerings include tennis, baking club, a Lego robotics competition team, board games, a nature club, and many more. At Abia Judd, teachers, parents, and students work together to foster a community where every child can learn and reach their full potential.

Granite Mountain Middle School Bulletin for Sunday, July 22, 2012

Activity Fee All students are required to pay a \$35 activity fee annually. Please be prepared to pay this at sixth grade orientation or at Scan It At Granite.

Cross Country News There will be a Cross Country Meeting after school on Monday, Aug 6. We will meet under the ramada by the basketball court--start running Aug 7th.

Girls Volleyball - Open Gym 7/25 & 7/26 There will be a volleyball open gym on Wed/Thurs July 25th and 26th from 9am-11am. A health/permission slip will need to be completed and signed for open gym and tryouts. Girls must bring a water bottle and a snack and wear appropriate clothing.

First Day of School August 6th is the first day of school. Classes begin at 8:05am.

AIMS Intervention Classes If your seventh or eighth grade child has been placed in an AIMS Intervention class it is because they did not pass one or more portions of their AIMS test. This is a mandatory elective for these students.

Sixth Grade Orientation July 23rd and July 24th - Sixth Grade Orientation from 9am - 11am. Sixth grade students will receive a copy of their schedule, locker assignments, locker combinations, Powerschool passwords and usernames on this day. Parents and students will receive all necessary information to make a smooth transition to middle school. Parents are encourage to attend with their child on July 23rd. Parents will pay the \$35 activity fee and deposit money on their child's lunch account on this day. In addition, PTO will have available spirit apparel and PE uniforms for purchase. We will also have an immunization clinic. All students must be in compliance before the start of school. Our school nurse will be available to verify immunization records and give any necessary immunizations right here in our student lounge! July 24th is for students only. Students will participate in team building activities and get to know their classmates and teachers.

I didn't get my request, why? Schedules were developed based on first the student's academic needs, second the student's request for electives, third parent/student requests. Unfortunately, not all requests can be fulfilled due to multiple reasons.

Immunization Clinic We will be hosting an immunization clinic on July 23rd in order to ensure that all students are in compliance with state law. Please bring a copy of your shot record and a copy of your insurance card. Cost for immunization is \$15. For a list of required immunization please contact the Department of Health Services.
