

Content: Library and Information Literacy

Big Idea: Effective readers use appropriate strategies to construct meaning.

Library Information Concept: Determining Author’s Point of View (Perspective), Evaluating Diverse Media, Evaluating Arguments, Selecting Informational Texts & Literary Non-Fiction, Drawing Evidence: Primary & Secondary Sources, Selecting Literary Fiction

Essential Questions:

- How do strategic readers create meaning from informational and literary text?
- What is this text really about?
- How do readers know what to believe?
- How does what readers read influence how they should read it?
- How does a reader’s purpose influence how text should be read?
