2 Accommodating Individuals With Disabilities

3 Students with disabilities shall be provided a reasonable opportunity to participate in all school-sponsored
4 services, programs, or activities on an equal basis to those without disabilities and will not be subject to
5 illegal discrimination. The District will provide auxiliary aids and services where necessary to afford
6 individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program,
7 or activity.

8 Each service, program, or activity operated in existing facilities shall be readily accessible to, and useable
9 by, individuals with disabilities. New construction and alterations to facilities existing before January 26,
10 1992, will comply with the requirements of the Americans With Disabilities Act.

11 The Superintendent shall designate an Americans With Disabilities Act, Title II Nondiscrimination
12 Coordinator for the District, who is directed to:

- 13 1. Oversee the District’s compliance efforts, recommend necessary modifications to the Board, and
14 maintain the District’s final Title II self-evaluation document and keep it available for public
15 inspection.
- 16 2. Institute plans to make information regarding Title II’s protection available to any interested
17 party.

18 Individuals with disabilities should notify the District Title II Nondiscrimination Coordinator or building
19 principal if they have a disability which will require special assistance or services and, if so, what assistance
20 or services are required. This notification should occur as far as possible before the school-sponsored
21 function, program, or meeting.

22 Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the District
23 Title II Nondiscrimination Coordinator, or by filing a complaint under the Uniform Complaint Procedure.
