6 The Board acknowledges that the solicitations of funds from students, staff and citizens must be
7 limited since students are a captive audience and since solicitation can disrupt the program of the
8 schools. Solicitation and collection of money by students for any purpose, including the collection
9 of money by students in exchange for tickets, papers, magazine subscriptions, or for any other
10 goods or services for the benefit of an approved school organization, may be permitted by the
11 Superintendent providing that the instructional program is not adversely affected.

12 An employee or an approved District-related group may submit a proposal on District Form 7225F
13 for approval.
