5 Use of Federal Title I Funds

6

7 The District will ensure that federal Title I funds, are intended to supplement, and not supplant,  
8 state and local funds that would, in the absence of federal funds, be spent on Title I programs or  
9 services supported by federal funds.

10

11 Title I funds will not take the place of funds supporting education services that are to be provided  
12 to all students. The District uses Title I funds only to supplement funds that would, in the  
13 absence of Title I funds, be made available from state and local non-Federal sources for the  
14 education of children participating in the Title I programs.
