**GREAT FALLS, MONTANA**

**REQUEST FOR QUALIFICATIONS FOR  
GENERAL CONTRACTOR/CONSTRUCTION MANAGER SERVICES  
FOR  
ALTERNATIVE PROJECT DELIVERY  
FOR  
Great Falls High Addition and Renovation**

**December 2017**

**Request for Qualifications for General Contractor/Construction Manager Services  
Great Falls High Addition and Renovation  
Great Falls, Montana**

The voters of Great Falls, Montana approved funding for the design and construction of the Great Falls High Addition and Renovation. The Board of Trustees of Great Falls Public Schools (the "District"), requires the services of a competent General Contractor/Construction Manager (GC/CM), normally engaged in this profession and duly registered as a Construction Contractor in the State of Montana, to provide GC/CM services as an alternative delivery process, specifically for the following Project:

**Great Falls High Addition and Renovation  
1900 2<sup>nd</sup> Avenue South, Great Falls, MT**

It is the District's desire to engage a qualified GC/CM firm to work with the District and the selected Architectural firm for the performance of this project. The District has selected NE45 Architects as the Design Firm for the project.

Time is of the essence, as the HUB concept addition shall be ready for occupancy for the 2019/2020 school year. The multi phased renovation shall be ready for occupancy for the 2021/2022 school year. It shall be noted the school will be occupied during the renovation phase of the project.

The final form of the contract shall be an amended AIA A-133™ - 2009 "Standard Form of Agreement Between Owner and Construction Manager as Constructor where the basis of payment is the Cost of Work Plus A Fee with a Guaranteed Maximum Price", in conjunction with AIA A201™ - 2007 "General Conditions of the Contract for Construction." It is the intent of the District to make a single award for these services specific to the new Great Falls High Addition and Renovation. The entire context of this RFQ/RFP for GC/CM services, including submittal instructions, can be found on the District's website at the following link: <http://gfps.k12.mt.us/content/rfqrfp-bids> and are also available at 1100 4<sup>th</sup> Avenue South, Great Falls, Montana.

**GENERAL REQUIREMENTS FOR GC/CM SERVICES:**

**SCOPE OF PRECONSTRUCTION SERVICES**

The specific scope of pre-construction services will be negotiated prior to signing the Contract. In general, pre-construction services are anticipated to include the following:

1. Participation in all design, coordination, and building committee meetings;
2. Review of all designs for constructability;
3. Work with the District and design team on phasing, scheduling, and other strategies to complete construction of this scale of project on or before the aforementioned dates;
4. Coordination and gathering of input from subcontractors regarding constructability;
5. Review and cost evaluation at each phase beyond 50% CD's of design taking into consideration schedule, phasing and market conditions;
6. Consult with, advise, assist, and provide recommendations to the District and design team on materials and constructability;
7. Provide information, estimates, schemes, and participate in decisions regarding construction materials, methods, systems, phasing, and costs to assist in determinations which are aimed at providing the highest quality building, constructed using the most sustainable construction materials and practices, within the budget and schedule;
8. Review in-progress design and construction documents and provide input and advice on construction feasibility, alternative materials, costs and availability;
9. Review completed design and construction documents prior to subcontractor/supplier bidding/selection and suggest modifications to improve completeness and clarity and to eliminate construction change requests due to inconsistencies or omissions in the construction documents;
10. Provide input to the District and the design team regarding construction market bidding climate, status of key subcontract markets, and other relevant economic conditions;
11. Recommend and actively source labor and material resources necessary to complete the project construction;
12. Provide input to the District and the design team regarding long lead time materials and equipment, impact on the construction schedule and strategies for mitigating the impact;
13. Prepare construction cost estimates for the Project at the construction document design phase and, if appropriate, at other times throughout of the work;

14. Notify the District and design team immediately if construction cost estimates appear to be exceeding the construction budget, and reconcile each cost estimate with the Architect's cost estimate, if required;
15. Furnish a final construction cost estimate for the District's review and approval;
16. Develop a firm construction schedule;
17. Develop all subcontractor/supplier bid packages and perform all advertising and receipt of subcontractor and supplier bids;
18. Obtain bids per trade for the District's review, unless otherwise approved by District in order to meet resourcing requirements, per the GC/CM Contract. Self-performed work must be bid against at least two subcontractors, if readily available;
19. Upon execution of any Early Work Amendment prior to a GMP agreement, undertake early material Procurement, site preparation, and advance construction work.

#### **SCOPE OF CONSTRUCTION PHASE SERVICES**

In general, Construction Phase Services are anticipated to include the following:

It is anticipated that a GMP for the entire project will be requested near the completion of the Construction Documents phase provided the cost estimate is within the District's budget. The established GMP will be the maximum amount paid for the entire work, unless scope changes are requested by the District. Acceptance of the GMP by contract will constitute completion of preconstruction services and the GMP Agreement/Amendment will initiate the construction period services for the Project. For any work conducted on site prior to the establishment of the GMP the GC/CM will provide appropriate levels of performance and payment bonds for any work in progress. At the time of execution of the GMP, the GC/CM will be required to submit a 100% performance and 100% payment bond for the amount of the GMP. The District retains the option to cancel the construction phase services, or to start a new process for the construction of the project, or terminate the contract and negotiate a replacement contract with the next highest rated Proposer from this solicitation, or to conclude the GC/CM's services at pre-construction and issue the Project on a lowest, responsible bidder method.

Reference to The State of Montana Wage Rates/Schedule incorporated in this RFQ is provided for informational purposes only. The selected GC/CM(s) will be required to comply (as a minimum allowable rate schedule) with those Rates adopted and effective at the time of signing the GMP Amendment or any time work is awarded on the project for construction.

## **SELECTION PROCEDURE**

This RFQ is the first of a multi-part selection process. In order to qualify for further consideration, Proposers must comply with the mandatory requirements provided below. Statements of Qualifications that do not contain the required documentation will be deemed nonresponsive to this RFQ requirement and will be rejected on that basis. Only firms that satisfy the required qualifications as determined by the District selection committee will be invited to submit on the subsequent RFP.

The District has identified the following pass/fail Qualification Conditions in order to establish eligibility (qualified) to advance further as part of this RFQ. The scoring questions that follow these Qualification Conditions, will establish the qualified firms and said firms will be invited to provide a Proposal.

### **Qualification Conditions (pass/fail)**

#### **1. General Contractor/Construction Manager Firm Information:**

a. Proposer must demonstrate successful experience and capacity to act as a GC/CM on projects of similar size, type and complexity. Specifically, the District will be looking for successful experience constructing schools.

b. Firm Background: Describe your firm's history. Include information identifying the firm's annual volume of business, financial/bonding capacities, and speak to the firm's stability in the marketplace. Information identifying the firm's strengths and weaknesses along with special capabilities that may be appropriate to this Project will assist in the evaluation.

c. Provide complete information on your bonding company and agent.

i. Provide contact name, phone and email information for this project.

ii. If less than 5 years, or not your exclusive surety source, list others used in the last 5 years

d. In the last five (5) years, have you (for each "yes" response provide an explanation):

i. had a settled or pending claim against your payment or performance bond?

ii. had a contract terminated for default on a project?

iii. been assessed liquidated damages for late delivery of a project?

iv. taken legal action or dispute resolution proceedings against an Owner other than for an Owner's failure to pay?

#### **2. Bonding Capacity:**

Provide proof of bonding capacity. The Proposer must be capable of providing a 100% performance bond and 100% payment bond valued for a project up to \$30 million in construction costs, as documented by a letter or binder from the Surety.

**3. Construction Contractor Registration:**

Proposer must include evidence of valid current Montana construction contractor registration submitted with the RFQ response.

**4. Safety**

- a) Provide incidence rate and experience modification rate. An incidence rate greater than the latest average for non-residential building construction as established by the federal Bureau of Labor Statistics (BLS) for the prior year or an experience modification rating (EMR) greater than 1.0 may result in immediate disqualification on this item.
- b) Provide your firm's number of employees.
- c) Proposer may submit an explanation for incident rate and EMR greater than those listed here for further consideration by the Owner. The Owner reserves the sole right to waive the pass/fail requirement if, in the Owner's sole judgment, sufficient justification exists for any explanation provided. The Owner also reserves the right to request additional information and/or clarification on this item but is not obligated to do so prior to making its determination on whether or not to waive the requirement.

Firms that meet the aforementioned pass/fail requirements will be further evaluated by the District selection committee, to determine reasonableness of meeting the following minimum qualification standards specific to this type of project.

**1. Specific Project Requirements:**

- a. Proposer should provide evidence of successful experience and capacity to act as a GC/CM on similar projects (i.e. alternative delivery methodology, pre-construction services, phased construction and critical timelines). Provide all pertinent contact information for the Districts and designers familiar with your work on each project.
- b. Proposers project manager and superintendent should demonstrate that they have successfully completed projects of this size and type.
- c. Proposers should provide evidence of their success in maintaining project schedules for projects specific to schools.
- d. Proposers should provide their current and projected workload, specifically projects under construction and projects under contract. Provide a specific total dollar value for projects under contract.
- e. Proposers should provide a general description of their experience in the preparation and execution of a Subcontracting Plan as pertains to public bidding requirements.

f. Proposers should provide evidence and knowledge of common cost estimating practices, and ability to maintain established budgets for projects of similar size and scope.

g. Proposers should provide evidence of successfully completing work on a public school facility.

In addition to the above, responders are asked to provide the following:

1. Cover letter / Statement of interest;
2. List the firm's name and complete address. List both street and mailing address;
3. Provide the address of the specific office which will have responsibility for performing the work;
4. Provide résumés of proposed staff and relevant experience.

This RFQ shall not commit the District to enter into any agreement, to pay any expenses incurred in preparation of any response to this request, or to procure or contract for any supplies, goods or services. The District reserves the right to accept or reject any and all responses received as a result of this RFQ if it is in the District's best interest to do so. By offering to perform services under this procurement, proposers agree to be bound by the laws of the State of Montana, including but not limited to: applicable wage rates, gross receipts taxes, building codes, Equal Opportunity Employment practices, and safety.
