Classroom Request Guidelines

Parents wishing to make a request for their child for the upcoming school year must make the request in writing to the principal by submitting a completed Classroom Information Sheet.

Specific teacher requests, via email, letter or verbal, will not be honored.

Parents may request a particular classroom environment, but not a particular teacher.

The deadline for Classroom Information Sheets to be completed and submitted to the principal, in writing, for the 2023-2024 school year is April 7, 2023.

All Classroom Information Sheets received before the deadline will be strongly considered.

A written request, or lack of request, will have no influence on the care and quality of education given to each child.

Please understand many factors, including but not limited to academic and social considerations, total class size, male/female ratio and heterogeneous grouping are used in placement decisions. These decisions are a collaborative effort of Westchester staff to personalize each child's educational experience at Westchester.

Requests for a child to not be placed with another child, for whatever reason, must be noted in writing on the Classroom Information Sheet.

Given other circumstances and staff recommendations, it is not always possible to honor all requests.

If enrollment changes between the last day of school and the first day of the new school year, classroom placements may be adjusted to accommodate increase or decrease in enrollment. Parents will be notified in writing if changes occur.

After due consideration and collaboration with all staff along with careful review of parent requests, the final decision on all student placements rests with the principal.
