Goldey-Beacom COLLEGE
Dual Enrollment Program

The Dual Enrollment Program at Goldey-Beacom College gives high school students a taste of post-secondary education at an affordable price. This program provides an early start toward college education by earning transferable college credits and allowing students to demonstrate their academic ability to perform at the collegiate level. To be admitted into this program, students must be a Junior or Senior in high school and have a minimum 2.7 GPA.

Suggested Courses:

- Critical Writing I & II
- College Algebra
- Introduction to Psychology
- Introduction to Sociology
- Microsoft Word
- Microsoft Excel
- Humanities I & II

To view all course options in our **College Catalog**, go to the "Academics" tab on our website. Search for a specific course by typing in the search box or view all courses by clicking "Undergraduate Courses" on the left-hand side of the page.

Steps to Enroll:

1. Go to **www.gbc.edu** and complete the free, online application. Click "**Apply Today**" on the main page of our website and select the "**Undergraduate Domestic Application**." When choosing the program of study, select the "**Non-Degree**" option from the dropdown.

2. Ask your guidance counselor to send us your **high school transcript**.

3. Contact your GBC Admissions Representative to enroll in class.

4. Pay the $100 tuition cost and order your textbook.

★ If you have any questions, please contact the GBC Admissions Office at (302) 225-6248 ★
