Cicadas

Cicadas come out every 17 years

2024 is a special year when both sets of cicadas come out at the same time.

Cicadas are harmless...they do not bite or sting.

This map shows where in the country the cicadas will be most present.

Autism Awareness Month

April has been a month to spotlight those with autism since the year 1970. Autism is a developmental disability caused by differences in the brain. People with autism have problems with social communication and interaction, and restricted or repetitive behaviors or interests. Oftentimes, people with autism have trouble transitioning tasks quickly, and can get upset when people mess with their routine.

Recipes: Dirt & Worms

By:Isla Corzatt

Ingredients:

- 1 – 6 ounce instant pudding mix or use a homemade pudding recipe
- 3 cups of cold milk follow instructions on instant pudding package
- 12 to 14 Oreo cookies
- 1 package of gummy worms

Instructions:

First, make your pudding.

You can use an instant chocolate pudding mix or use a homemade pudding recipe. Combine the mix with the milk and then whisk it together. Set the bowl aside until the pudding firms up. About 10 minutes.

Next, mash up your Oreo cookies. You can do this in a food processor or place the cookies in a large zip lock bag and use a rolling pin or meat tenderizer to create the crumbs.

Now take small plastic cups and spoon in some pudding, then some oreo cookie crumbs, then some more pudding, etc. Layering it up to the top. Then place in some gummy worms and you are done! Easy as that.

Enjoy.

COWBOY CASSEROLE

How to make:

1. Start with a creamy mushroom sauce. Melt some butter in a large saucepan, and cook the mushrooms until they release their liquid.
2. Once that happens, add the onions and garlic and continue to cook until the onions soften—about 5 minutes.
3. Next, stir in the flour and cook for about a minute. Then pour in the chicken stock and bring the whole mixture to a simmer. Cook another minute until the sauce thickens.
4. Now stir in the milk. Season to taste with salt and pepper, and simmer for another minute.
5. Preheat the oven to 375 degrees while you brown the ground beef. In another saucepan, brown the ground beef with onions, garlic, and chili powder. If you're using higher fat ground beef, drain off the fat.
6. Then combine the ground beef mixture into the mushroom sauce. Add the tomatoes, corn, sour cream, and some of the cheddar cheese—you'll want to hold some cheese back for topping the potatoes.
7. Now you're ready to spoon the whole shebang into a baking dish. All you have to do is line up the tater tots over the whole top of the casserole, and top with the rest of the shredded cheddar.

Ingredients:

1. Ground beef
2. Mushrooms
3. Butter, Milk, and Sour cream
4. Chicken Stock
5. Diced tomatoes
6. corn
7. Cheddar cheese
8. Chili powder, chives, S&P

250 CLUB FUNDRAISER

The Fairfield Athletic Boosters put on a 250 Club Fundraiser this spring for the first time. The fundraiser consisted of Booster members, coaches, and others selling 250 tickets at \$100 per ticket. The ticket gained you admission for a dinner at The Lake View Loft on the evening of April 6th. At the event, guests were served a steak dinner with a baked potato and green beans. Throughout the evening numerous prizes were raffled off, including some cash prizes. All of the cash prizes were donated back, helping make the event an ultimate success. The Fairfield Athletic Boosters think that everyone enjoyed the evening and there are high hopes to continue the event in future years. Without the support of the Boosters, Fairfield Athletics would not be able to purchase some of the equipment and uniforms that help make the Fairfield Athletic programs successful today.
