July 17, 2023

The Wilson County Board of Education held its regular meeting on Monday, July 17, 2023, at 6:30 p.m. at the Administrative Office, 113 N. Tarboro Street. Chairman Christine L. Fitch called the meeting to order at 6:30 p.m. with the following members present:

Dr. Christine L. Fitch, Board Chair
Henry E. Mercer, Board Vice-Chair
Velma Barnes
Beverly Boyette
Blake Boykin
Rhyan Breen
Debora Powell
Dr. Lane B. Mills, Secretary

Due to technical issues, the meeting was not televised on Spectrum and Greenlight Channel 22 or livestreamed through the Wilson County Schools (WCS) YouTube Channel.

Others present were Associate Superintendent Dr. Cheryl Wilson, Assistant Superintendent for Administrative Services Dr. Ben Williams, Director of Public Relations Amber Lynch and Administrative Assistant to the Superintendent and Board Clerk Linda Horrison, as well as Board Attorney Katie Cornetto. There were 21 citizens in attendance.

I. After calling the meeting to order, Dr. Fitch asked for approval of the agenda. Ms. Powell made the motion, seconded by Mr. Breen, that the agenda be approved. The motion passed unanimously, 7-0.

II. At Dr. Fitch's request, Ms. Boyette led the Pledge of Allegiance which was followed by a moment of silence.

III. Dr. Fitch presented for approval the minutes of the June 5, 2023, Regular Board meeting. Dr. Fitch asked for approval of the minutes. Ms. Barnes made the motion, seconded by Ms. Boyette, that the minutes of the June 5, 2023, Regular meeting of the Board, be approved. The motion passed unanimously, 7-0.

IV. Under Chairman's Report, Dr. Fitch:

- Shared that the district is once again providing meals to the students of Wilson County through the efforts of Executive Director of School Nutrition Jamie Narron and staff. She thanked them for their continued support of students.
- Shared that summer learning is being conducted and the graduation ceremonies were successful.
- Introduced and welcomed Dr. Jami Woods, President of Wilson Community College. Dr. Woods is the sixth president of Wilson Community College and replaced Dr. Tim Wright who recently retired. Dr. Woods addressed the Board and shared that she is looking forward to partnering with the school system and being a part of the growing and thriving community.

V. Under Superintendent's Report, Dr. Mills:

- Shared that there are several summer programs happening across the district that are going well. He recognized the hard work of the students and staff who are involved. The programs are: Summer Scholars for K-12 students; Read to Achieve for second- and-third graders; Bridge for middle school students; and Accelerator for high school students. The programs conclude at the end of July.
- Shared that he hopes students and staff are enjoying their summer break. He remarked that it's going by quickly - especially for the early college students and staff. The first day of school for students attending the early colleges is August 1, which is just two weeks away. The first day of school for traditional students is August 28.
- Stated that the Back to School Conference for staff is scheduled for August 23. The conference provides valuable professional development for staff, and it is also a time where staff members shine because they lead many of the sessions. He added that the Technology Department is currently seeking proposals for sessions. The deadline to submit proposals is July 18, and staff can find more information in emails from Executive Director of Technology Heather Pennica.
- Shared that the WCS Operation Backpack Drive is in full swing and donations of backpacks and school supplies are being accepted. Financial donations are also appreciated and will be used to purchase backpacks and supplies. For information on how to donate, visit the district website, district social media sites or contact Director of Public Relations Amber Lynch. Donations will be collected through the end of the month. Once the drive ends, the backpacks will be sent to the schools to be distributed to students. Dr. Mills added that this is our 12th year collecting backpacks. Since 2012, thousands of backpacks have been provided to students in need because of the generosity of the community. He thanked everyone who has donated so far.
- Reminded the Board members of the Work Session that is tentatively scheduled on August 14 at 2 p.m. to continue the long-range facilities planning decision.
- Shared a video with the Board that was created by the NC Education Lottery to spotlight the Wilson Academy of Applied Technology (WAAT). Adam Owens with the NC Education Lottery visited WAAT on June 8 to interview Principal David Lyndon and several students and a staff member. The video highlights the impressive new building, which was funded in part with lottery funds. The video will be featured at the North Carolina Association of County Commissioners conference in late August during a session highlighting special projects. The lottery has also asked if Mr. Lyndon will attend the conference to talk more about the WAAT building. Dr. Mills also recognized Wilson Community College President Dr. Jami Woods, who was in the audience, for the college's role in making the new building a reality and for our incredible partnership.

VI. Under Public Input, at 6:44 p.m., four people from the public began addressing the Board during this portion of the meeting. Public Input ended at 6:58 p.m. It was the Board's consensus to have the Administration respond to the speakers.

VII. Under Committee Reports/Administrative Services – Committee Chair Henry Mercer shared that the committee met today to discuss information and action items.

Information Item

A. Under School Nutrition Updates, the Administration shared that with the expansion of pick up sites for summer meals, the newly added mobile route and additional community sponsors, School Nutrition is expected to serve 64,000 meals in 2023. This is an increase of over 18,000 more meals than last year. In 2022, the district served 45,691 meals. The district plans to purchase a cargo transit van to assist in summer meals, utilizing the No Kid Hungry Grant in the amount of $47,455.

Action Items

A. Under Contracts Requiring Board Approval – Administrative Services, Board Policy 6420, *Contracts with the Board*, states that any contract for materials, equipment, or service involving expenditures in excess of $90,000 must be reviewed by the Board attorney and approved in advance by the Board unless provided otherwise in Board Policy. The following contracts exceed $90,000 and require Board approval, pending attorney review:

   - Sysco Raleigh, Lot 1, to provide food products for School Nutrition meals, in the amount of $1,961,834.14 (based on a fixed fee of $2.57)
   - Sysco Raleigh, Lot 3, to provide supplies for School Nutrition meals, in the amount of $339,148.78 (based on a fixed fee of $2.57)

   Mr. Mercer made the motion, seconded by Mr. Breen, that the Board approve two contracts, one for Sysco Raleigh, Lot 1, in the amount of $1,961,834.14 and the second for Sysco Raleigh, Lot 3, in the amount of $339,148.78. The motion passed unanimously, 7-0.

   - ADA playground at Vinson-Bynum Elementary ($400,000)
   - Paint at Forest Hills Middle ($165,000)
   - Paint at Speight Middle ($165,000)
   - Garage HVAC at Transportation ($140,000)

   Mr. Mercer made the motion, seconded by Mr. Breen, that the Board approve the proposed capital projects for 2023-2024 as presented by the Administration. The motion passed unanimously, 7-0.

C. Under WECA and WAAT Universal Lunch, the Administration shared that the Universal Fee program would allow School Nutrition to provide meals to students at Wilson Early College Academy (WECA) and Wilson Academy of Applied Technology (WAAT) at no cost. The claim reimbursement for the School Nutrition program would be based on the known status of students that are directly certified or categorically eligible for the 2023-2024 school year. School Nutrition would be reimbursed at the free rate and then at the paid rate

for all other students. Free/reduced meal applications would not be required unless the district is seeking to maximize the free rate. School Nutrition staff will monitor the program throughout the school year for feasibility beyond the 2023-2024 school year. The Administration is asking the Board to approve the WECA and WAAT Universal Lunch program. Mr. Mercer made the motion, seconded by Mr. Breen, that the Board approve the WECA and WAAT Universal Lunch information so that the students at WECA and WAAT can also have lunch without cost. The motion passed unanimously, 7-0.

D. Under 2022-2023 Budget Amendments, the Administration presented the 2022-2023 State Public School Fund, Federal Grant Fund, Capital Outlay Fund, School Nutrition Fund and Local Special Revenue Fund budgets. General Statute 115C-434 authorizes the Board of Education to make appropriations for the budget year. Mr. Mercer made the motion, seconded by Mr. Breen, that the Board approve the 2022-2023 Budget Amendments 110-State Public School Fund, 308-Federal Grant Fund, 404-Capital Outlay Fund, 504-School Nutrition Fund and 808-Local Special Revenue Fund. The motion passed unanimously, 7-0.

VIII. Discussion/Information/Action

A. Under Contract Requiring Board Notification, Board Policy 6420, *Contracts with the Board*, states that the Superintendent is authorized to enter into contracts involving amounts up to $90,000 and the Superintendent shall report such contracts exceeding $30,000 to the Board at its next regularly scheduled meeting. The following contract, which is less than $90,000, has been approved by Dr. Mills, pending attorney review: Active Internet Technologies dba Finalsite, for mass communication system; district and school websites and the district app, in the amount of $40,586. This is for information only.

B. Under North Carolina School Boards Action Center (NCSBAC) 2023-2024, the Administration received the 2023-2024 NCSBAC Contribution Statement.
