MARCH 18, 2024

The Wilson County Board of Education held its regular meeting on Monday, March 18, 2024, at 6:30 p.m. at the Administrative Office, 113 N. Tarboro Street. Chairman Christine L. Fitch called the meeting to order at 6:30 p.m. with the following members present:

Dr. Christine L. Fitch, Board Chair
Henry E. Mercer, Board Vice-Chair
Velma Barnes
Beverly Boyette
Blake Boykin
Rhyan Breen
Debora Powell
Dr. Lane B. Mills, Secretary

The meeting was televised on Spectrum and Greenlight Channel 22; and livestreamed through the Wilson County Schools (WCS) YouTube Channel. The public could also view the meeting by downloading the WCSTV22 app and through links on the WCS Facebook, Instagram and Twitter pages and the WCS website.

Others present were Associate Superintendent Dr. Cheryl Wilson, Assistant Superintendent for Administrative Services Dr. Ben Williams, Director of Public Relations Amber Lynch and Administrative Assistant to the Superintendent and Board Clerk Linda Horrison, as well as Board Attorneys Katie Cornetto and Rachel Nicholas and *The Wilson Times* Reporter Olivia Neeley. There were 44 citizens in attendance.

I. After calling the meeting to order, Dr. Fitch asked for approval of the agenda. Ms. Powell made the motion, seconded by Mr. Mercer, that the agenda be approved for the March 18, 2024, meeting of the Wilson County Board of Education. The motion passed unanimously, 7-0.

II. At Dr. Fitch's request, Mr. Boykin led the Pledge of Allegiance which was followed by a moment of silence.

III. Dr. Fitch presented for approval the minutes of the February 19, 2024, Regular Board meeting. Dr. Fitch asked for approval of the minutes. Ms. Barnes made the motion, seconded by Ms. Boyette, that the Board approve the February 19, 2024, Regular Board meeting minutes. The motion passed unanimously, 7-0.

IV. Under Good News Presentation, Dr. Mills, with the assistance of Mr. Boykin, recognized the following:

- NC Public School Maintenance Association Director of the Year - Executive Director of Facility Services Greg Woodard was recognized for recently being named the North Carolina Public School Maintenance Association's Maintenance Director of the Year. Mr. Woodard is one of 115 directors from across the state, and he has been a vital member of our Facility Services

Department for 19 years. He is a product of WCS, and a member of the Hunt High Class of 1982. Mr. Woodard began his career with WCS in 2005 as the Lead Plumber. Five years later, he transferred to the HVAC Department and worked his way up to HVAC Supervisor. In 2014, he was promoted to Assistant Director of Maintenance, and in August 2024, he stepped into his current role as Executive Director of Facility Services. He is currently the President of the NC Public School Maintenance Association District III and has served as president for three different terms and vice president for two terms.

- National Board Certification Renewals - Two educators were recognized for renewing their National Board Certification, which is an advanced teaching credential that goes beyond state licensure. WCS currently has 54 educators with the certification, and North Carolina leads the nation with 24,243 educators who are National Board Certified (nearly 24% of the state's teachers). The educators renewing/maintaining the certification are:
    - Martha Levey is a Digital Teaching and Learning Specialist in our Technology Department, and she maintained her existing certification for Library Media/Early Childhood through Young Adulthood.
    - Amy Peele is a Second-Grade Teacher at Rock Ridge Elementary, and she maintained her existing certification for Generalist/Early Childhood.
- Foundation YMCA Learn to Swim Program - The Foundation YMCA of Wilson was recognized for partnering with WCS to provide swim lessons to every second-grader in our 13 elementary schools, which is approximately 831 students. Chief Executive Officer Kathie Davis and Aquatics Director Erin Brown accepted the Good News Award. Through the Learn to Swim Program, the second-graders travel to the YMCA during the school day. The lessons are 35 minutes each day for five days, and it's incredible to see the progress the students make in a week's time. The program teaches fundamental water safety and primary aquatic skills. The YMCA provides the pool, lifeguards and volunteers, and also covers the cost of transportation, as well as bathing suits and towels for students in need. The YMCA received grant funding from the Healthcare Foundation of Wilson Auxiliary to help offset costs. The Learn to Swim program is operated at no expense to WCS. Volunteers are a key piece of the program's success, and at least 45 volunteers are needed each week for seven weeks to make the program possible. WCS appreciates the volunteers who take time out of their schedules - one of which is our very own Associate Superintendent Dr. Cheryl Wilson. Ms. Davis commended the second-grade teachers for their flexibility and support and shared that they have been amazing to work with. The Learn to Swim Program began during the 2017-2018 school year. The lessons continued the following two school years and then the pandemic occurred and the YMCA started construction on a new facility. Dr. Mills shared that WCS is thankful that after a three-year hiatus, the swim lessons are back in full force.

V. Under Chairman's Report, Dr. Fitch:

- Congratulated Wilson Education Partnership (WEP) for the successful and fun-filled Candy Land Trivia and Spelling Bee. She also thanked the volunteers, sponsors, teams and Hunt High for helping things run smoothly. She remarked

that though all who participated were winners, bragging rights this year go to the following:

- Overall Winner – Wilson County
- 2nd Place Winner – Breen Law
- School Winner – Beddingfield High
- Spirit Winner – Beddingfield High
- Costume Winner – Wells Elementary (Lollipop Kids and Glinda the Good Witch from the Wizard of Oz)
- Table Decorations Winner – Speight Middle

- Thanked teachers, administrators and staff for all that they do on a daily basis for the students and the system.
- Congratulated the 14 young ladies at Wilson Academy of Applied Technology (WAAT) for participating in the Quinceañera Showcase.
- Shared that WCS, in partnership with the Wilson Committee for Persons with Disabilities, will host the Whirli-Wellness Fair on April 13, 2024, from 10 a.m. – 1 p.m. at the Whirligig Park.
- Shared that in less than two weeks, the district will be out for Spring Break. She wished everyone a time filled with relaxation, fun and rejuvenation in preparation for the final push to complete the school year.
- Shared that Mrs. Horrison and herself recently attended the Consortium of State School Boards' Association (COSSBA) Conference and have shared information with staff as appropriate.
- Offered condolences to the family of Alvin Hickman, former Wilson County Board of Education member.

VI. Under Superintendent's Report, Dr. Mills:

- Shared that since the last Board meeting, WCS has celebrated School Social Work Week and Read Across America Week - where many WCS leaders and community members spent time in classrooms reading to students. District and school leaders also participated in the Wilson Education Partnership's Candy Land Spelling and Trivia Bee on March 14, which raised $20,000 for our district. Also, the Elementary and Middle School Battle of the Books Competitions were held on March 15, and the teams from Rock Ridge Elementary and Forest Hills Middle were the winners. We also opened the reassignment process, which continues through June 1, and more information can be found on our district website under News. Also, it's not too late to register your child for Kindergarten. That process is ongoing through August. To register your student, select Enrollment in the blue box on our website and there are step-by-step instructions to take families through the process. Or you can call the elementary school that your student will be attending for more information.
- Reminded everyone about the upcoming Educator Job Fair. Anyone who is interested in teaching for WCS can attend the job fair on March 23 between 9 a.m. and Noon at Darden Middle. The district is also looking for instructional assistants, counselors and media coordinators. Representatives from the schools will be in attendance and preliminary interviews will be held onsite. We ask that attendees bring copies of their resume and most recent transcript. Also, an education degree is not always required to teach. If you have a four-year degree,

there are pathways you can take to becoming a teacher. There will be staff members onsite to discuss that process.

- Shared that on March 14, WCS was excited to welcome representatives with the Governor's Hometown Strong initiative to the Fike High WASH Center as a part of their tour of Wilson County. We are truly fortunate to be able to provide health services to students and staff through our school-based health centers. We were grateful for the opportunity to showcase WASH as a model for other districts to the representatives, and as always, we want to thank the Wilson County Health Department and Healthcare Foundation of Wilson for their partnership.
- Reminded families that the district is asking for feedback through an anonymous Parent Survey as we work to continuously improve school practices. The deadline to complete the online survey is March 31, and it is located on our district website and social media sites.
- Reminded everyone that Spring Break is on the horizon for the traditional schools. March 29 is a holiday and then Spring Break is April 1-5. Dr. Mills wished staff, students and families a safe and relaxing Spring Break.

VII. Under Public Input, at 6:49 p.m., three people from the public began addressing the Board during this portion of the meeting. Public Input ended at 6:57 p.m. It was the Board's consensus to have the Administration respond to the speakers.

VIII. Under Committee Reports/Administrative Services – Committee Chair Henry Mercer shared that the committee met today to discuss information and action items.

Information Item

A. Under 2024-2025 Local Current Expense and Capital Outlay Budgets, the proposed budgets were shared with the Board members for review. The 2024-2025 Local Current Expense Budget Request is for $27,765,892 and the Capital Outlay Budget request is for $1,250,000. General Statute 115C-432 requires the Board of Education to adopt a budget for the fiscal year. Executive Director of Financial Services Shannon Collins shared that the proposed budgets for 2024-2025 will be impacted by several factors such as the cost of living, benefit cost, hospitalization, retirement cost, charter schools, recurring expenses, and supplement pay increases. She shared that last year's Local Current Expense Budget was $24,544,758. The district is also asking for an increase in capital outlay funding. The district has also incurred increases in the cost of maintenance, charter schools and technology. The district's biggest expense is charter school funding at $4.2 million. Other expenses include maintenance costs ($3.3 million); utilities ($3 million); technology ($1.2 million); and supplies and materials ($482,000). The Administration also shared that next year, the Board will be asked to adopt the new state salary schedule with options being presented at the next Board meeting. In the future, the Board will need to provide guidance on increases for supplemental funding for employees. The Administration asked for feedback on the proposed budgets as presented to prepare for approving a finalized budget on April 15, 2024.

Action Items

A. Under 2023-2024 Budget Amendments, the Administration presented the 2023-2024 State Public School Fund, Federal Expense Fund, Local Special Revenue Fund, Capital Outlay Expense Fund, and Local Current Expense Fund budgets through June 30, 2024. General Statute 115C-434 authorizes the Board of Education to make appropriations for the budget year. Mr. Mercer made the motion, seconded by Mr. Boykin, that the Board approve the 2023-2024 Budget Amendments from the State Public School Fund, Federal Expense Fund, Local Special Revenue Fund, Capital Outlay Expense Fund and Local Current Expense Fund. The motion passed unanimously, 7-0.

B. Under Lease Options for Activity Buses, the Administration presented two proposed quotes for installment purchase contracts for activity buses. The first is for 5 activity buses and the second is for 9 activity buses. The Administration asked the Board to consider selecting and approving one of these options. The first payment will be due 365 days from delivery of the activity buses. If the Board selects either option, the Administration will present a lease to purchase agreement and installment purchase contract resolution at the next regular Board meeting for approval. The resolution will then be submitted to the Wilson County Board of Commissioners, as required by State law.

    - Daimler Truck Financial, lease to own agreement for 5 activity buses. The amount of the lease is $784,452.10, with $156,890.42 to be paid yearly for five years.
    - Daimler Truck Financial, lease to own agreement for 9 activity buses. The amount of the lease is $1,436,720.20, with $287,344.04 to be paid yearly for five years.

    The Administration shared that the district currently has 19 activity buses, with the oldest model dating back to 1991. The total estimated savings for fuel, service and 5% annual price increase for 9 activity buses is $181,082.99, and the total estimated savings for 5 activity buses is $122,945.05. The Administration recommended the lease purchase option for 9 activity buses. This option will allow the district to replace a higher number of older activity buses now, provide the greatest cost savings over 5 years, and allow the district a longer period of time before reviewing the activity bus replacement cycle.

    Mr. Mercer made the motion, seconded by Ms. Powell and Mr. Breen, that the full Board approve the lease option for activity buses allowing the Administration to move forward with the necessary steps to prepare the Board to take action on a lease purchase option. The motion passed unanimously, 7-0.

C. Under Naming of Fike High School Athletic Complex – Second Reading, the Superintendent has received a request to name the Fike High School Athletic Complex in honor of Jimmy Tillman. Mr. Tillman was devoted to WCS and through the years, he served as a respected teacher, coach, assistant principal, principal, athletic director and overall educational consultant. He knew each of his students by their names. Mr. Tillman served WCS for 34 years and left a lasting legacy for all those who knew him. He began his career at Lucama High

as the Health/PE teacher and football coach. In 1978, he accepted a position serving in the same capacity at Beddingfield High. He remained there until 1980 when he became the Head Football Coach and Athletic Director at SouthWest Edgecombe High. In 1990, he returned to WCS as the Assistant Principal at Fike High. Then in 1994 and until his retirement in 2005, he served as Principal at Lucama Elementary, Darden-Vick Middle and lastly, Fike High. In his retirement, he returned to WCS as an Educational Consultant for Principals and Assistant Principals. In 2008, Mr. Tillman moved into the role of District Athletic Director and served in this role until his untimely passing. He was a member of the Hall of Fame at Fike and SouthWest Edgecombe High Schools, as well as the North Carolina High School Athletic Association (NCHSAA), and was listed on their all-time Top 100 list of athletic administrators. Mr. Tillman was named WCS Principal of the Year in 1999 and in 2005, he was named the NCSHAA Principal of the Year. In 2012, he was selected as the Athletic Director of the Year by the North Carolina Athletic Directors Association. Mr. Tillman was also the Chairman of the NCHSAA Nominating Committee three times and a member of its Realignment Committee for three terms.

Board Policy, 9300, *Naming Facilities*, states, "The naming of a new facility requires a majority vote of the Board of Education. The renaming of an existing facility requires a unanimous vote of the Board of Education. Proposals for naming facilities shall be submitted to the Board for two readings at different meetings prior to adoption." This is the second reading for this request.

Mr. Mercer made the motion, seconded by all the Board members, that the full Board take action to name the Fike High School Athletic Complex the Jimmy Tillman Athletic Complex. The motion passed unanimously, 7-0.
