Dear Parents/Guardians,

Our senior pep rally is this Friday, April 26, 2024. You may attend if your child is being recognized as a spring athlete or performing in the pep rally.

To enter the building, the following must take place:

- Your name must be listed as a guardian or emergency contact in Skyward.
- A valid government ID is required for check-in.
- You must pass through our metal detectors; leaving belongings in your vehicle is encouraged to expedite this process.

Thank you for your understanding, as we have limited seating in the gym for students and parents.

Regards,
