Wilson County Schools, NC

FOR TRADITIONAL SCHOOLS

- Students attending our traditional schools will receive breakfast & lunch at no cost through the Community Eligibility Provision program. These students DO NOT need to complete a free and reduced price meal application.
- To be considered for other waived fees, such as Technology, Driver Education, SAT or ACT fees, families can bring their Letter of Direct Services from WCS School Nutrition or submit a Needs Based Assistance request via the form on the website or by visiting bit.ly/wcsneeds.

FOR EARLY COLLEGES

- All WAAT and WECA students will receive lunch at no cost through the Universal Free program. While meals are at no cost for students, we encourage families to complete the free and reduced price meal application to be considered for other waived fees.
- The application is currently available at myschoolapps.com in a variety of languages. Paper copies are also available at your student's school or the School Nutrition Office in English and Spanish. Meal applications can be completed at any time, but it is recommended to complete the application prior to the first day of school.
