

Chromebook At Home Usage Agreement

General Information

Student use of the Chromebook falls under the guidelines of the District's Acceptable Use Policy #3225/4312/7320 for technology (see District website). Access to the Internet is monitored through our school's content filtering software and all rules and expectations are applied.

Damage, Replacement and Reporting Technical Issues

Any errors or problems with the Chromebook should be reported immediately to your teacher so it can be addressed in a timely manner. In the event of physical damage or neglect to a device, damage charges will be assigned to the student in order to purchase repair parts. Once repairs have been paid, a loaner device will be provided, if available. The current repair fee for parts or replacement are as follows:

Chromebook Repair Costs	
Cracked Screen	\$62
Screen Bezel	\$29
Top Cover/Keyboard	\$60
Display Back Cover (HP logo)	\$40
Bottom Base	\$40
Charger	\$25
Total Replacement	\$200

All prices include taxes and shipping. These prices are current at the time of this printing and are subject to change.

Google Apps for Education

Wilson County Schools will be utilizing Google Apps for Education for each K - 12th grade student. Each K - 12th grade student will have an account with Google that will enable them to collaborate, create, edit and share files. In addition, in accordance with the state and district's goals and visions for technology, students may require accounts in third party systems for school related projects designed to assist students in mastering effective and proper online communications to meet other educational goals. Teachers will determine which apps outside of the Google domain will be used in the classroom and they will seek parental consent prior to use. Contact your child's teacher for additional information concerning third party websites.

Digital Citizenship

According to WCS Board Policy #5451.09 each student will receive instruction in Copyright and Internet safety throughout the district. For more information about digital citizenship and how to keep your student safe, please visit commonsensemedia.org and netismartz.org.
