Application Process:

Applications will be accepted for the 2024-2025 school year for all grades from May 1, 2024 – August 22, 2024.

Applications are available on the school web site under the “About NBAS” tab in the “Schools of Choice” folder, at any of our building offices or in the Superintendent’s Office at 6655 Jefferson, P.O. Box 3520, North Branch. Completed applications (mailed or delivered) must be received on or before the final date to be considered.

School of choice applications are required for each student. Students with siblings already in the program will be given priority.

Acceptance:

Parents will be notified of acceptance or non-acceptance for Schools of Choice; the application process does not guarantee enrollment.

Students who are accepted into this program may continue at their chosen district until graduation, **if they remain at the same residence.**

Transportation:

Transportation is the responsibility of the parent, and the district is not legally obligated to provide transportation. However, the Superintendent and/or the transportation department may approve transportation within the district upon request at their discretion.

Athletics:

Schools of Choice students are not eligible to participate in athletics until one full semester is completed at the chosen district. Excluding 9th graders.

Other:

There is no cost to parents. No release is needed from resident school district. Students always have the option of returning to their resident school district at any time.
