Inspiring Excellence

## ***Midland Public Schools would like to introduce our first annual Administrators Inspiring Excellence Award!***

For many years, MPS has recognized staff for their contributions above and beyond the ordinary level of professional performance. Until now, Administrators have not been included in these awards.

MPS would like to acknowledge the important contributions Administrators make to the success of students, staff, and the entire school community. The Administrators Inspiring Excellence Award will be given to Administrators who inspire excellence through exemplary leadership, dedication to students and staff, commitment to the district vision, and living the values of MPS.

To celebrate these Administrators, the “*Administrators Inspiring Excellence Award*” has been established.
