PASSWORD RECOVERY

Forgot Password?

Click **Forgot Password?** on the EmployeePortal Login page. The *Reset Your Password* page opens allowing you to enter the following information:

1. Type your **Employee Number** or **Social Security Number**, depending on your LEA's settings.
2. Type your **Date of Birth** (MM DD YYYY).
3. Type your five-digit **Zip Code**.

TIP: Be sure to enter the date of birth and zip code that exists on your employee record.

4. Click **Retrieve**.

5. You are prompted to answer the **hint question** that you entered when you created your user account. In the **hint answer** field, type the answer to the hint question.

- You have three opportunities to answer the question correctly.
- If the question is not correctly answered, the answer is protected, and you are prompted to call your EmployeePortal administrator to have your user account deleted.
- Once your user account is deleted, you can use the New User page to create your account again.

6. Click **Submit**. You are redirected to the EmployeePortal Login page. An email message containing your temporary password is sent to your email address.

7. Obtain your temporary password from your email and return to the EmployeePortal Login page.

- The temporary password is only valid for 24 hours.

8. Type your user name and the temporary password, and then click **Login**. You are redirected to the Change Password page.

- Follow the instructions to change your password.
