HOMECOMING DANCE
7PM

Welcome to a new school year!

Homecoming is right around the corner! The homecoming game is on Friday, October 14th against Franklin County High School with the dance following on Saturday, October 15th at William Byrd High School from 7:00 pm until 10:00 pm. We highly suggest wearing flat or other comfortable shoes and not going barefoot at any point during the event.

Tickets will go on sale on Wednesday, October 5th until Thursday, October 13th during lunches outside of the cafeteria. If a student is not in the building, please see Mrs. Damasco-Farrington to purchase your tickets. Tickets are \$25 per person and can be paid for in cash or check payable to WBHS.

Tickets will NOT be sold at the door. All students MUST have a ticket purchased by Thursday, October 13th no later than 2:30 pm to attend the dance. No exceptions will be made. If a student's guest does not currently attend WBHS, they will need to fill out a Guest Approval Form (available in the main office, on Blackboard Terrier Times and in Learning Cottage 1-B) and return it to Mrs. Damasco-Farrington by October 13th in Learning Cottage 1B. This is a dance for high school students and recent graduates. Middle school students (6th thru 8th) and persons 21 years or older are not permitted to attend with a current WBHS student. Each WBHS student attending the dance is allowed ONE guest that does not attend WBHS. All school obligations, class dues and detentions must be satisfied before the dance to attend.

We do realize that sometimes the best laid plans can be thrown curveballs and we will need to adjust when the need arises. In all events, we strive to make each experience memorable and special in every way. As always, we appreciate all that you do for our students and if you have any questions, please contact Mrs. Damasco-Farrington at cfarrington@rcps.us or (540) 890-3090.

HVHS—6PM

October 20th—Community Conversation—
NHS—6PM

The AFSP is hosting the annual "Out of Darkness" Walk on October 1, 2022 at 10:00 am at Roanoke College. Students can

join their LIFE Counselors and other staff members on the walk to support suicide prevention, wellness, and decrease mental health stigma for their community. We are encouraging schools to consider an incentive for attendance and participation. Fundraising is not required to participate in the walk. We would like our LIFE Counselors to promote this with our students and encourage our students to come out and participate. School counselors are welcome to attend. It would be great if there could be an incentive at your school for participation. Please let us know what that will be. Please feel free to brainstorm with your admin or our office. We are registered with AFSP as Roanoke County Public Schools. More info is available on the website

<https://supporting.afsp.org/index.cfm?fuseaction=donorDrive.event&eventID=8600>. Consider advertising through the Prevention Club, Leadership student groups, and SAC reps at each school. Feel free to add your school to the document attached for advertising. We are partnering with Roanoke County Police Dept and Suicide Prevention of the Roanoke Valley.

Attendance Procedures

*Refer to RCPS policy for Excused Absences and Tardies

To notify the school of an absence, you may call 562-3700 ext. 24008 and leave a voice message with the students name, grade and reason for absence. PLEASE NOTE THAT THE PHONE CALL DOES NOT EXCUSE THE ABSENCE! The call lets us know you are aware of your child's absence and prevents us from calling you. A written acceptable excuse (in compliance with RCPS policy) must be submitted to the attendance office when the student returns to school.

You may also email the attendance office at wbhsattendance@rcps.us

CHECK OUT PROCEDURES. Please note that students cannot be checked out of school per a phone call. In order to check your student out, you must use one of the following options:

- 1) Send a written note to the school with the student that indicates the student name, reason for check out and the time to be dismissed along with the parent/guardian's contact number and signature. The note should be turned in to the attendance office when the student arrives at school. At that time, a check out pass will be issued that allows the student to leave at the designated time.
- 2) Send an email to wbhsattendance@rcps.us that includes the information in bullet #1.
- 3) Send a fax to 540-890-7568 that includes the information in bullet #1.
- 4) An authorized emergency contact may come to the school with a PHOTO ID and sign the student out at the attendance window. Only persons listed on the student's emergency card will be allowed to sign the student out.

COLLEGE VISITS/OUT OF TOWN TRIPS. A minimum of two days prior written notice must be submitted to the attendance office for college visits or out of town trips to be considered excused. Once submitted, the student will be issued a Prior Notice Form that must be signed by all teachers and returned to the attendance office prior to the absence. Failure to follow these procedures will result in the absence(s) being unexcused.

Partners for Safe Teen Driving: A Community Health Initiative

Dear Parent or Guardian,

You are receiving this mailing because your son or daughter is currently completing the classroom component of driver education in Health and PE 10. As your teen prepares for the privilege of driving, it's imperative that we do all we can to ensure their safety and the safety of those with whom they share the road. Nine out of ten teen drivers identify their parents as having the greatest influence on their driving behaviors. With that in mind, you and the future teen driver in your home are invited to attend together one of the **Partners for Safe Teen Driving** presentations offered at the Roanoke County high schools.

These presentations bring together parents, students, schools, law enforcement, and community resources to promote safe and responsible driving. The programs are open to the public, but the target audience includes students who are taking Driver Education or those preparing for the licensing process this school year and their parents/guardians. Offering this program to every student is now state legislation.

The program agenda will include:

- The unique characteristics and risks of teen drivers
- The important role parents play in the teen driving experience
- An overview of the driver education program
- Teen traffic laws and the graduated licensing restrictions
- Insuring the teen driver
- A parent's perspective of a teen crash

You are invited to attend a presentation on any of the following dates. If the meeting at your child's school is not convenient, you are encouraged to attend a meeting at another school. The programs begin at 7:00 p.m. and are approximately ninety minutes long. If your child is unable to attend any of the presentations, there will be an alternate assignment given by their teacher so that your child will cover the information presented on these evenings. Parents are encouraged to view the information with your child.

Roanoke County Public Schools Phone: (540) 562-3900, ext. 10255 Email at kburcham@rcps.us

Car crashes are the leading cause of death among 16–19-year-olds.
The fatal crash rate per mile driven for teens is nearly 3 x the rate for drivers ages 20 and over
Half of all teen drivers will be in a crash before they turn 20.

William Byrd High School is most definitely a work in progress right now. The WBHS choir program has embraced the changes in the building and are working on some renovations of our own at this time as well. As we change, we are also excited to see the program thrive in our district: we regularly are among the top five with the amount of WB singers who participate in All-District Chorus. We have also started a trend of regularly having our singers recognized at the state level as All-Virginia performers.

We are hoping to adjust the courses offered in future years to reflect these changes as well. Some of these include:

Chorale: Top concert choir. Singers are placed in this group after required auditions

Vocal Ensemble: Think show choir. Singing with choreography from skilled members of the Roanoke Valley dance community

Treble Choir: A group for Sopranos and Altos where vocal and choral development are top priority

Mixed Chorus: Non-auditioned singing group for those who may not want the pressures and potential extra performance requirements of an advanced level performing group

We are always looking to grow and are excited to move our thriving program into a new choir room during the 2023-2024 school year. If you enjoy the arts or have an interest in joining choir in the future and want to see an upcoming performance, below are a few opportunities.

Take Note

10/4 - Fall concert at 7pm. WBMS auditorium (Free admission)

10/28 - National Anthem at the Football Game with recognition of choir seniors during senior night

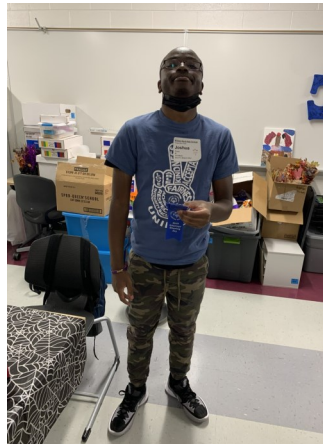

12/15 - Winter Concert at 7pm. WBHS auditorium (Free admission)

We will be selling World's Finest Chocolates from October 17-28. Please find a choir member or reach out to mbartley@rcps.us if you want to support us and stock up on some Halloween candy!

SPECIAL OLYMPICS
LITTLE FEET MEET

VIRGINIA

Students in Mrs. Dunn's Child Development class have been learning about prenatal development. We are finishing off the unit by celebrating and hosting a gender reveal party! Students were all given cupcakes with a blue or a pink center and the gender of their mystery baby was revealed when they bit into it. Students then created a birth certificate with name and vital information for their child. They finished the day by designing their own gender reveal party complete with a theme, party favors and guest list. It was a fun way to transition from prenatal care to infant development!

Positive Behavioral Interventions & Supports

William Byrd High School has been implementing **PBIS** (Positive Behavior Interventions and Supports) since the start of the 2019-20 school year. PBIS is an evidence-based framework that helps support and improve students' academic, behavioral, and social-emotional well-being. Through creating shared school values, known as the **Terrier Way** (*Be Safe, Be Respectful, and Be Responsible*), collecting and analyzing behavioral data, providing behavior specific feedback, and recognizing students, the staff at WBHS is committed to creating the optimal learning and social environment for all our students. As part of our commitment to recognize students and staff, twice a month students and staff nominate individuals to be recognized as **Terriers of the Month**. Students nominate teachers who have had a positive impact in their lives and the staff nominate students who exemplify the **Terrier Way**. A total of four teachers and eight students are recognized each month, and all are featured in our monthly newsletter.

WILLIAM BYRD TERRIER GOLF

The William Byrd Golf teams season is now finished. The team finished fifth in the region behind Abdington, Lord Botetourt, Cave Spring and Magna Vista. Nathan Carter is first team all-region, and Clayton Gilmore and Evan Mullen are second team all-region. Clayton Gilmore was also first team all-district on the season. This season has been a fantastic season with a lot of great results. Coming from winning the Roanoke County cup to start the year, as well as winning a match down at Bassett. I cannot be more proud of this team and all the effort that was put in throughout the season.
