Dear Parents,

Terrier Pride, the Terrier Way! The excitement is contagious! Our school year has started out fantastic. From the classroom to the pep rallies the students are demonstrating what being a Terrier means. Homecoming is quickly approaching, the week of September 16-September 20. The football game is September 20 and the Homecoming Dance is September 21. Encourage your student to participate in the theme days and to attend the game and dance. The more involved a student is in the school, the better academically the student usually does.

Safety is always at the forefront. I want to remind everyone to say something if you see something. Safety drills have been reviewed and practiced already and will be continued throughout the school year. Always please let me know if you see or know of a concern.

Every year you have been asked to join the PTSA. Probably many of you didn't realize the dues, the \$5.00 you paid to join, were split to pay National and State PTSA dues. The school kept approximately 25 cents of each membership. PTSA has been a good partnership for many years. However, William Byrd High School has voted to leave PTSA to become a PTSO, Parent Teacher Student Organization. What does this mean? The one difference that is a substantial benefit to WBHS is 100% of the dues stays at WBHS. Our PTSO funds the After Prom, supports instruction and helps any student that may have a need. We are one of very few schools that does not charge our students to attend the After Prom. After Prom is an event that our students enjoy. The budget for After Prom can reach over \$15,000. Our PTSO does not fundraise. Concessions at Varsity football games help support the PTSO and so do many generous donations. With this additional money our PTSO will be able to do more. The students were given a membership envelop to bring home. I realize many never made it home. Please consider joining. You can send cash or check payable to WBHS PTSO to school (\$5.00). Your support is much appreciated.

May 19, Graduation, will be here before you know it. Has your son or daughter gotten their senior formal photo done? The picture is used in the graduation ceremony and the yearbook. It is no charge to you to have the picture taken. Cap and gown information will be sent home next week. Ask your senior about these two items.

Thank you for your continued support of William Byrd High School.

Tammy Newcomb, Principal

The Prevention Awareness Club is participating in the Save Your Tailgate campaign, which is a statewide program for high schools and youth groups to increase seat belt use among youth and teens and reduce speeding among young drivers. During the month of September, students will be conducting seatbelt survey's as well as handing out promotional materials at football games.

SCHOOL SPIRIT TASTES GREAT

Make dinner a selfless act by joining us for a fundraiser to support William Byrd High School Volleyball Team. Come in to the Chipotle at **4753 Valley View Blvd NW** in Roanoke on **Sunday, September 29th** between **4:00pm** and **8:00pm**. Bring in this flyer, show it on your smartphone or tell the cashier you're supporting the cause to make sure that 33% of the proceeds will be donated to William Byrd High School Volleyball Team.

Online orders will not be included in the fundraiser total. To ensure your purchase is counted in the fundraiser, be sure to order and pay in-restaurant. Gift card purchases during fundraisers do not count towards total donated sales, but purchases made with an existing gift card will count.

The JV and Varsity volleyball teams are off to a great start this season. The Varsity volleyball team is led by captains Seniors Alison Stoehr, Lexi Dean, Hayley Ward and Junior Grayce Dantzler. The ladies will travel to Cave Spring this Tuesday and will host a Tiny Terrier Night and Middle School recognition night this Thursday vs. Staunton River. JV starts at 5:30 and Varsity will follow.

Come out and support these wonderful young ladies!!

****Mark your calendars now!!!**

Hello to my Awesome staff and Kiddo's here at WBHS

As you all know we have already started into head and chest cold season and Flu season is fast approaching. If you have not gotten your flu shot for this year I do recommend it. As we have learned there are so many new strands of flu bug out there. The shots only cover a few of the flu's and fortunately they do help cover the most serious ones. Getting a flu shot may not stop the flu entirely; they do make the symptoms of the flu more bearable and can mean the difference between home and hospitalization. Being in an enclosed classroom all day predisposes you to inescapable germs for students as well as teachers. Just always remember good hand washing with soap and water and use of hand sanitizer is your best defense against these bugs. Unfortunately, colds and flu share the same oncoming symptoms of chills, headache, fatigue, runny/stuffy nose, sore throat—if you start running a fever of 100 degrees or higher it could be more than just a head cold. In this case, you need to follow up with your primary care physician or visit an urgent care facility. My clinic is limited as to what I can give students. With YELLOW FORMS signed and permission from parents, I am allowed to give Tylenol and Ibuprofen (Advil), and I try to keep an unlimited amount of cold lozenges on hand. Please don't hesitate to come see me for any cold and or flu symptoms you may be experiencing.

In past years, several of you have donated items to help in the clinic. The school will gladly take donations of crackers, juice boxes, water, or cough drops.

Attendance Procedures

*Refer to RCPS policy for Excused Absences and Tardies

To notify the school of an absence, you may call 562-3700 ext. 24008 and leave a voice message with the students name, grade and reason for absence. PLEASE NOTE THAT THE PHONE CALL DOES NOT EXCUSE THE ABSENCE! The call lets us know you are aware of your child's absence and prevents us from calling you. A written acceptable excuse (in compliance with RCPS policy) must be submitted to the attendance office when the student returns to school. **You may also email the attendance office at wbhsattendance@rcps.us**

CHECK OUT PROCEDURES

Please note that students cannot be checked out of school per a phone call. In order to check your student out, you must use one of the following options:

- 1) Send a written note to the school with the student that indicates the student name, reason for check out and the time to be dismissed along with the parent/guardian's contact number and signature. The note should be turned in to the attendance office when the student arrives at school. At that time, a check out pass will be issued that allows the student to leave at the designated time.
- 2) Send an email to wbhsattendance@rcps.us that includes the information in bullet #1.
- 3) Send a fax to 540-890-7568 that includes the information in bullet #1.
- 4) An authorized emergency contact may come to the school with a PHOTO ID and sign the student out at the attendance window. Only persons listed on the student's emergency card will be allowed to sign the student out.

COLLEGE VISITS/OUT OF TOWN TRIPS

A minimum of two days prior written notice must be submitted to the attendance office for college visits or out of town trips to be considered excused. Once submitted, the student will be issued a Prior Notice Form that must be signed by all teachers and returned to the attendance office prior to the absence. Failure to follow these procedures will result in the absence(s) being unexcused.

HOMECOMING

Welcome to a new school year!

Homecoming is right around the corner and the first quarter is at a great start! Can you believe it? This year the homecoming game is on Friday, **September 20th** with the dance following on Saturday, **September 21st** at the William Byrd High School main gym from 7:00 pm until 11:00 pm.

Tickets will go on sale on **Wednesday, September 11th until Friday, September 20th** during lunches outside of the cafeteria. Ticket prices are as follows

Seniors —\$20.00 each

Freshmen – Juniors \$25.00 each

Tickets will NOT be sold at the door. All students MUST have a ticket purchased by Friday, September 20th no later than 2:30 pm. No exceptions will be made.

If a student's date does not currently attend WBHS, they will need to fill out an Out Of School Date Form (*available in the main office, on Blackboard Terrier Times and in the library*) and return it to Mrs. Farrington by Sept 19th in the library. *This is a dance for high school students and recent graduates. Middle school students (6th thru 8th) and persons 21 years or older are not permitted to attend with a current WBHS student. All school obligations and detentions must be satisfied before the dance in order to attend.*

As always, we appreciate all that you do for our students and if you are interested in chaperoning the event, please contact Mrs. Farrington at cfarrington@rcps.us or (540) 890-3090.

GIFTED STUDENT IDENTIFICATION PROCESS

Referral

Students in kindergarten through twelfth grade can be referred for screening for the gifted program from August through September and January through February of each school year. Students can be directly referred by any interested individual, including parents, guardians, teachers, administrators, or community members. To request a referral packet, contact the guidance counselor at the student's school or the gifted office at 562-3900, ext. 10222.

In order to assure that no student is excluded from screening based on gender, cultural diversity, socioeconomic status, learning exceptionality or other factors, teachers are required to observe their students during the first nine weeks of the school year. From the onset of school through the second week of October teachers make focused observations in the classroom.

Students in grades K - 1 are evaluated for the gifted program through the use of a "profile" that includes ability test data, rating scales, and portfolio materials. Students in grades 2 - 12 are evaluated for the gifted program using achievement and ability test data, grades, and rating scales.

Any students who either have transferred into the Roanoke County Public Schools after the regular screening process has begun, or have transferred from another gifted program, are eligible for screening upon their entrance to the school system.

Identification

Several types of data are collected by the school guidance counselor and the gifted specialist in order to evaluate students for the gifted program. Types of data may include, but are not limited to:

- Nationally-normed standardized achievement test scores
- Nationally-normed standardized ability test scores
- Grades
- Parent-completed rating scales
- Teacher-completed rating scales
- Observational check lists
- Portfolio products
- Performance-based assessment products
- All data is compiled by the division Gifted Screening Coordinator and decisions regarding placement are made by a division Gifted Screening Committee. Decisions regarding gifted placement may be appealed.

No single criterion can be used to include or exclude a student from access to the gifted program.

Visual Art Aptitude

Referral

Students in grades two through eight can be referred for screening for the gifted art program from February to March of each school year. Students can be directly referred by parents, classroom teachers, art teachers or community members. Referral forms are distributed to the schools in February of each year.

Identification

Several types of data are collected by the gifted specialist in order to evaluate students for the gifted program. Types of data may include, but are not limited to:

- Performance-based assessment products

Recommendations

All data is compiled by the division Gifted Art Screening Coordinator and decisions regarding placement are made by a division Gifted Art Screening Committee. Decisions regarding gifted art placement may be appealed.

For a more complete understanding of the gifted referral and identification process for the Roanoke County Public Schools, please contact Richard Moon, Art Coordinator, at 562-3900, ext. 10322.

Welcome to the Counselor's Corner!

Ms. Gunn, the Life Counselor will be starting small group counseling in September. Groups will focus on social, emotional, and academic growth of students. Groups focus on coping, anxiety, organization, social skills, depression, wellness, and friendship. If you believe your child would benefit from a group, please reach out to Ms. Gunn at agunn@rcps.us. To learn more about the Life Counseling program, please visit the counseling section of the WBHS website.

BCAT FBLA PROJECT ASK GIFT CARD DRIVE

Every year the BCAT FBLA accepts gift card donations for Project ASK. Project ASK is a charitable organization dedicated to helping to make life better for local children with cancer.

Did you know that 325+ children are diagnosed with cancer each year in Virginia?

We need your help in making sure that these kids have a great Christmas this year! The gift cards you donate will be placed in a hand-made stocking and handed out to teenagers staying in hospitals across the commonwealth. Please make sure the gift card purchased can be used for something tangible, (Target, Walmart, Amazon, etc..). Food and drink gift cards are discouraged because many of these children aren't able to visit the restaurants.

Collection Dates:

Gift cards can be given to any member of Burton's FBLA or turned into the office. They will then be turned in to our Regional F

VOLUNTEER HELP

FBLA chapters have given countless volunteer hours from wrapping holiday gifts to helping at ASK's 5K fundraising events.

ASK

Childhood Cancer Foundation

making life better

FOR CHILDREN WITH CANCER

ASK stands for

ASK Childhood Cancer Foundation provides assistance, support, and kindness when our kids and their families need it most. Over \$650,000 is raised each year for making life better for local children with cancer. From the moment of diagnosis through treatment and beyond, ASK is there to provide emotional, financial, and educational support.

Numbers behind the smiles

- 1-2 children are diagnosed with cancer every week here in Central Virginia, equating to 125 children on active treatment and 400 children in survivorship programs.
- 50% of all families with a child in treatment will experience severe financial hardship
- 2/3 of our survivors will will develop at least one late effect from the disease or their treatment

Programs that help

We know that a child's cancer diagnosis affects the entire family. That's why ASK's support extends beyond the child to include the parents, caregivers and siblings. Including children and their family members, over 1,000 individuals are supported by ASK.

- Three staff positions: Child Life Therapist, Chaplain, and Child Psychologist at the ASK Pediatric Hematology/Oncology Clinic at VCU
- Financial assistance to cover expenses like mortgages, car payments, and gas money for families in treatment
- Weekly after-school tutoring and summer enrichment camps for patients and survivors
- Social events for ASK kids and their families, like trips to the zoo, bowling, and the annual holiday party
- Support groups for active patients and our bereaved families
