Dear Parents,

The school year is getting ready to get started and we are excited to have your student as part of the William Byrd Terrier family. High School is a time where students begin to discover the future path he or she may take into adulthood. It is very important that you be a part of this journey. Be sure to talk to your child about his or her goals and follow up with checking grades and class choices to make certain these goals are attainable.

This year our football stadium has a new look. The field is turf and the track is rubberized. Those of us that have enjoyed standing on the track during the games will no longer be able to do this. The track will be off limits. Knowing this, there is a great way to guarantee you have a seat. The football boosters have reserved seating still available. A reserved seat is only \$10 and it is yours for the entire football season. It is on a first come, first serve basis. If you are interested in reserving seats, please contact Mrs. Carrell at school and she will put you in contact with the person taking reservations.

For our seniors, this year is a very busy time. Please read carefully the information in the newsletters for important dates pertaining to the seniors. Graduation will be here before you know it and it is so important that your child is ready to walk on June 8, at 11:30AM. Please contact your child's guidance counselor if you have any questions.

Hope to see you August 9, 12:00-6:00 for Business Day. Please call me if I can assist you in any way.

Enjoy the rest of the summer. GO TERRIERS!

2017-2018 School Year

WBHS Parents and Students:

I hope you have had a great summer break and are excited to start the new school year! We would like to ask for your help in supporting our teachers, school and students this year, by joining the WBHS PTSA.

Please do your part by filling out the attached membership envelope and returning it with a payment of \$5.00 per person (cash or check made payable to WBHS PTSA). Completed envelopes with payment enclosed may be placed in the collection box in the main office.

In addition, we are trying to provide items for the Nurse here at our school. If you could bring items such as; peanut butter cookies or crackers, juice, and sugar free-items it would be greatly appreciated.

Finally, we are in need of volunteers for the after-prom committee as well as concessions during home football games. If you are interested please stop by at our membership table and we would love to discuss further.

Here are just a few ways PTSA helps to support our school, students and staff: After-prom party, Red Ribbon Week, Homecoming festivities, Reflections, Book Grants, Matching funds, teacher mini grants, and small gifts and meals throughout the year for teachers and staff.

Also, don't forget to save your Coke Reward Tops! Proceeds received from these help support the school and student activities sponsored by the PTSA. Please bring these items to the main office any time during the year.

Thanks for your support!
