3/20/2024 10:03:46	FUHSD Parent or Guardian	2	2	2	I would like maps 2,3 and 4 to be considered in the evaluation as well. They had the highest concentration of the Latino vote.	
3/24/2024 18:03:57	FUHSD Parent or Guardian	3	3	3	I think that the Latino vote is more prioritized and considered, it would be good if there was someone who represents the Latino community	Opción B
3/25/2024 8:54:50	Community Member	5	5	1	I agree with map 5 and 6 since Hispanic representation is needed to improve academic education and the emotional side which is projected with the student feeling supported by their cultural community.	Opción A
3/26/2024 7:59:16	Community Member	1	1	1	Maps 2,3,4 maintained a prioritized community of interest of Hispanics/Latinos and that has changed in this second stage of the process.	
3/27/2024 19:28:39	Community Member, FUHSD Parent or Guardian	1	1	1	Diluting the concentration of the Latino community should not be an option. The percentage of 27.7 is not enough to have a fair representation declared by law. Please reconsider the initial maps, scenarios 2, 3 and 4. My preference is any of these three. Make Latinos a priority for a change!!	Opción A

3/28/2024 13:42:08	Community Member	1	1	1	The maps do not prioritize the Latin part. By law the Latino vote must be considered	Opción B

4/3/2024 21:15:41	Community Member	1	1	1	I would like to see Hispanics/Latinos represented. And with these maps that is not the case. You must put maps 1-4 back for them to be considered.	Opción A
