AIDEN MONTALBINE

From Jill Brown: Head Varsity Boys' Fencing

The 2019-2020 Boys Varsity Fencing Team had a great year. We had a winning record of 8-5 and had several finalists in every tournament. Our foil squad lead the way this year, winning the most bouts for the team in our meets and competitions. Foil took second place in the Huntington Relay Tournament and all 3 athletes were finalists at the Suffolk County Tournament.

This year's Most Valuable Player award goes to Aidan Montalbine. Aidan has been traveling all over the country fencing in national tournaments and participating in classes and lessons at Mission Fencing Club. At the Brentwood Holiday Tournament in December Aidan came in third place on Long Island, second place in Suffolk County, earning his D national rating - distinguishing him among his teammates and competitors across the country.

Aidan had an overall meet record of 29 wins and seven losses. Aidan received All-County and All-League awards and helped bring his team into 3rd place in our league.

At the Huntington Relay Tournament Aidan was the last athlete in the final round, and picked up over 15 points for his teammates, bringing his squad in to second place and missing first place by 3 points. This was the first time Sayville made it into the finals at this tournament.

Aidan had a fence off for first place at the County Tournament in February and took home the silver medal.

Aidan is a fun, warm person who is a pleasure to coach. He is one of the most dependable, consistent and hardworking athletes on our team. He is a fierce competitor but also demonstrates excellent sportsmanship to his opponents and referees. Aidan will execute any coaching direction given to him and is one of the most unpredictable athletes in the league. He has a timing approach and an ability to capitalize on his opponents' mistakes so much so that competitors walk away shaking their heads. No one else in the league fences the way he does; he has his own unique style and approach that quickly overwhelm his competitors.

I am so proud of Aidan and his many accomplishments this year, and I congratulate him for earning this year's Sayville High School's Most Valuable Player award in Fencing.

Sayville Baseball MVP = The 2020 Senior Class of Brock Murtha, Connor Smalley, Thomas Schilling, Patrick Delaney, Kevin Gross, and Mark Radzewsky. Each of the seniors of the 2020 class played a pivotal role in our quest for the Long Island Championship in 2019. They all worked extremely hard throughout the off season to prepare for this past spring season. Unfortunately, they were not able to defend their title due to the COVID 19 outbreak. Each senior deserves to be recognized for the hard work, dedication, and most of all, the sacrifice they were forced to make in losing their senior season.

Marinus Buys Memorial Award Outstanding Athlete

Brock Murtha

The Marinus Buys Memorial Award: From Joe Esposito-Varsity Baseball Coach

This award is given to the top male athlete of the 2020 senior class. It is not a surprise to me that the winner of this award is Brock Murtha. Brock has been a special player for the Sayville Varsity Baseball team since he was an 8th grader. He is the first 8th grader to start for the varsity squad in our school's history where he hit over .300 and had 3 homeruns. Not bad for an 8th grader. He continued his outstanding career by becoming the League MVP and being chosen to the All Long Island first team as a freshman, which turned out to be the first to ever reach that feat as a 9th grader leading Long Island with 10 homeruns. He went on to have two more phenomenal seasons and once again led Long Island with 10 homeruns as a junior, and also being selected to the All Long Island first team. He culminated his career by throwing a no hitter in the 2019 Long Island Championship which is something that only happens in movies. However, besides his statistics, there is more that makes Brock Murtha a special athlete. He makes all around him raise their own levels of performance through his work ethic and personality. He would show up to kids games to show support including my own son's baseball game and football game this past fall. He even showed up to my son's first grade play in 2019. These were things he didn't have to do but understood that many of these young boys looked up to him as a role model and he did not disappoint. He has put together one of the best careers of any athlete that has come through Sayville High School and we wish nothing but the best for Brock as he attends the University of Notre Dame on a full athletic scholarship. He is someone I will miss greatly, as athletes of Brock's caliber and character only come along once in a while.
