~ SYNOPSIS ~

Camp is always fun and unpredictable. Will Tess lead Opening Jam? Will Mitchie and Shane ever get together? Will the kitchen run out of donut holes? This particular summer, the campers are really up against it when Camp Star, a new camp across the lake, threatens to put Camp Rock out of business. The stakes couldn't be higher, and the characters have to figure out how to be true to themselves while working as a team. At times it seems like an impossible goal. But as absolutely any Camp Rocker would tell you, *"This is What We Came Here For"* - to learn, to grow, to trust and to make friends that will last a life-time.

A Note From the Director

As you have heard the phrase many a time by now, it has been a challenging year. And, because of that I would like to take this opportunity to thank Superintendent Dr. Stimmel, Principal, Dr. Castoro and the Sayville School Board for allowing me this opportunity to still find a way to enable the Sayville School Students to have a show.

Although it is a bit different than our “normal” productions, this Concert Version of CAMP ROCK has hopefully given the cast and crew the same fun experience.

It has been my pleasure working with them!

Enjoy!
