Lean on Me Lyrics

**Sometimes in our lives
We all have pain
We all have sorrow
But if we are wise
We know that there's always
tomorrow**

**Lean on me
When you're not strong
And I'll be your friend
I'll help you carry on...
For it won't be long
Till I'm gonna need somebody to
lean on**

**Please swallow your pride
If I have things you need to
borrow
For no one can fill
Those of your needs that you won't
let show**

**You just call on me brother when
you need a hand
We all need somebody to lean on
I just might have a problem that
you'll understand
We all need somebody to lean on**

**Lean on me
When you're not strong
And I'll be your friend
I'll help you carry on...
For it won't be long
Till I'm gonna need somebody to
lean on**

**You just call on me brother
When you need a hand
We all need somebody to lean on
I just might have a problem that
you'll understand
We all need somebody to lean on**

**If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me**
