'PARP is a program that asks a partner (parent, grandparent, babysitter, older sibling, cousin, friend, etc.) to read with a child for at least 15 minutes daily, stressing the fact that reading can be fun as well as informative. The choice of reading materials can vary from books to anything with printed words. The daily activity of reading together strengthens reading and communication skills in the child and strengthens their relationship.' *(From the NYSPTA Website)*
