I'll Be There for You

So no one told you life was gonna be this way
You told a joke, you croaked, your chromebook's DOA
It's like you're always stuck in second gear
When it hasn't been your day, your week, your month or even your year, but
I'll be there for you when the rain starts to pour
I'll be there for you like I've been there before
I'll be there for you, 'cause you're there for me too.
You're still in bed at ten and school began at eight
You've burned your breakfast so far, things are going great
Your mother warned there'd be days like these
But she didn't tell you when the world has brought you down to your knees that
I'll be there for you when the rain starts to pour
I'll be there for you like I've been there before
I'll be there for you 'cause you're there for me too
No one could ever know me, no one could ever see me
Seems you're the only one who knows what it's like to be me
Someone to face the day with, make it through all the rest with
Someone I'll always laugh with, even at my worst, I'm best with you, yeah
It's like I'm always stuck in second gear
When it hasn't been your day, your week, your month or even your year
I'll be there for you, when the rain starts to pour
I'll be there for you, like I've been there before
I'll be there for you, 'cause you're there for me too
I'll be there for you, I'll be there for you, I'll be there for you
'Cause you're there for me too

Sunrise Drive You Are The One

Sunrise Drive, you are the one.
You will always be in my heart
You're the place where I first got my start.

Sunrise Drive, you are the place
Where all my memories began.
You have guided me and taken my hand.

From the start, right to the end,
A helping hand you always lend.
Through the smiles and through the tears,
You have been there all these years.

Sunrise Drive, I won't forget
All the friends and people I have met.
You have helped me to learn and grow.
You have helped me to learn and grow.

Words and Music by Amy Baron

Thank You

Words, words, words. How come there's so many, but I can't find any?
Words, words. How can I possibly say it perfectly, all that you mean to me?

I don't wanna let another day pass us by without a chance to say thank you, thank you.
And I don't think you have a clue for ev'ry day you pull me through.
For all of the things that you do, thank you, thank you.

Love, love, love. I don't always show it, but I hope you know it. Love, love.
It's what I wish for you in ev'ry thing you do, 'cause of all that you give me, yeah.

I don't wanna let another day pass us by without a chance to say thank you, thank you.
And I don't think you have a clue for ev'ry day you pull me through.
For all of the things that you do, thank you, thank you.
Ah, ah.

I don't wanna let another day pass us by without a chance to say thank you, thank you.
I don't think you have a clue for ev'ry day you pull me through.
For all of the things that you do, thank you, thank you.
Thank you.
Love, love, love. I don't always show it but I hope you know it.
