

# LIGHT UP CHERRY WITH KINDNESS

December 15, 2021 – February 11, 2022

Let's "Light Up" Cherry with Kindness as each class earns a lighted letter "K" for their door.

The goal of the kind act or effort is first, to *think kind*, second, to *offer & spread kindness*.

To earn the 'K,' we ask each class to agree to:

1. Choose three kindness class goals: 1 for peers: *i.e. listen to my classmates when they are talking* 1 for school building: *i.e. we will do a garbage pick-up on the playground once a week*; 1 for the community: *i.e. we will donate blankets to the local animal shelter*. Classes will be given paper strips to write their goals and they will be displayed on the social worker bulletin board.
2. For each student to select one personal goal, separate from the class goal that leads to a kind act in any of the three categories: peers/friends/staff, family or community

When the class and students complete their goals, they will receive the 'K' to display on the door and on Monday, February 14, 2022, we will LIGHT UP CHERRY with all the KINDESS we spread to each other.
