~ **SYNOPSIS** ~

Into the Woods, Jr. is a modern twist on the beloved Brothers Grimm fairy tales in a musical format that follows the classic tales of Cinderella, Little Red Riding Hood, Jack and the Beanstalk, and Rapunzel all tied together by an original story involving a baker and his wife.

The musical centers on the baker and his wife, who wish to have a child; Cinderella, who wishes to attend the King's festival; and Jack, who wishes his cow would give milk. When the baker and his wife learn that they cannot have a child because of a witch's curse, the two set off on a journey to break the curse, and wind up changed forever.
