~ **SYNOPSIS** ~

On a small Greek island, Sophie dreams of a perfect wedding — one which includes her father giving her away. The problem? Sophie doesn't know who he is! Her mother Donna, the former lead singer of the 1970s pop group Donna and the Dynamos, refuses to talk about the past, so Sophie decides to take matters into her own hands. Sneaking a peek in her mother's old diaries, she discovers three possible fathers: Sam, Bill, and Harry. She secretly invites all three to the wedding, convinced that she'll know her father when she sees him. But when all three turn up, it may not be as clear as she thought! Told through the legendary music of ABBA, *Mamma Mia!* has become a worldwide sensation that has audiences everywhere dancing.

MAMMA MIA!

Fun Facts

Mamma Mia! made its US premiere at the Orpheum Theatre in 2000.

Mamma Mia! has been performed in 400 major cities worldwide.

Mamma Mia! has been performed in 14 languages. It is one of the longest musicals in Russia and was the first musical to be performed in Mandarin to tour China.

Mamma Mia! is the 9th longest running show on Broadway.

Benny Anderson and Björn Ulvaeus, the composers of Mamma Mia! and Abba members, also wrote the musical *Chess*.

The song Mamma Mia! only made it to number 32 on the Billboard 100 list.

The film adaptation of Mamma Mia! was the fifth highest grossing release in 2008, grossing more than \$608 million.
