2023-2024 Message from your Sayville School District Superintendent

Dear Sayville School District Families:

Welcome to the Sayville School District, where our teachers and staff care deeply about our students and their learning.

We strongly believe that the most vibrant and productive classroom settings infuse a deep sense of caring about student well-being while maintaining a commitment to joyful, engaging, and thoughtful learning experiences for all students at every level.

- The voices of our students, faculty, staff, and families matter to us.
- We are committed to learning and growing as professionals, leaders and educators.
- Our role is to inspire a passion for learning throughout this learning community.

We are excited about the work we are doing in Sayville and we look forward to a wonderful school year full of **caring** and **learning**.

School Health Services

TESTING

A gross screening of vision is completed for new entrants. A distance acuity screening is done for grades K,1,3,5,7, and 11. The parent is notified if a possible defect is suspected and it is then recommended that arrangements be made for a complete eye examination.

A screening of hearing is also completed for new entrants and annually for grades K,1,3,5,7, and 11. Parents are notified if a hearing loss is suspected.

SCREENINGS

A physical screening is conducted in grades K,1,3,5,7, 9, and 11 for new entrants by the school physician on those students who are not examined by a family doctor. Parents must arrange for this physical examination within 12 months of the first day of school. If, during the school physician's observation, a problem is suspected, parents are notified. It then becomes the parents' responsibility to have the condition checked by the physician of their choice.

As mandated by New York State Law, children in grades 5 to 9 are screened annually for scoliosis (curvature of the spine) by the school nurse. Parents who do not wish school health personnel to perform this screening may have it completed by a family physician provided the results of the screening are forwarded to the nurse of the school which the child attends. Heights and weights are checked and recorded for new entrants and for grades K,1,3,5,7, 9, and 11. Dental certificates are also requested for these same groups.

ABSENTEE NOTIFICATION

The school district provides an absentee notification service providing communication between the school and parents in the case of student absence. The service operates for all schools.

When your child will be absent you are requested to call the ATTENDANCE at your child's school. Give the following information to the telephone answering machine:

- a) Child's name
- b) Grade level
- c) Teacher if elementary student, Homeroom if secondary student
- d) Date of absence
- e) Reason for absence

PLEASE DO NOT GIVE ANY OTHER INFORMATION!!!

An attendance aide will call the parents of those students whose absences have not been reported to the school. However, we urge all parents to report upcoming student absences through the notification service. The high school will contact homes of absent students on a daily basis. Please be aware that the school district cannot assume responsibility in locating unaccounted for children beyond a check of the child's school.

General Information

DELAYED OPENINGS & SCHOOL CLOSINGS

The Sayville School District may use the delayed school opening procedure on days of inclement weather when it appears that school can be opened safely at a later time. If the situation permits, schools will delay opening up to two (2) hours later than the usual schedule and will adjust their days accordingly so that classes end at the normal time. Children will be transported home on the regular transportation schedule. In the event of school closing or a delayed opening parents/guardians will receive an email blast and phone call through ParentSquare.

Information on Delays or Closings can also be found on:

- the District's Facebook and Website Homepage www.sayvilleschools.org after 5 a.m.
- radio stations WALK (1370 AM or 97.5 FM) and WBLI (106.1 FM),
- television's News12 Long Island.
- go to www.cancellations.com, input your zip code, and look for the school district.

PLEASE NOTE: in the event that the wind chill is less than 15 degrees, students will stay inside at recess.

REGISTRATION OF NEW STUDENTS

Students who will be entering Sayville Schools for the first time in September must be registered prior to the opening of school. Early registration results in better planning in terms of the child's program and balancing of class sizes.

All families new to the school district are asked to register their students at the Student Services Office in the Administrative Offices, 99 Greeley Avenue, Sayville.

To register, the following forms are required:

- a) documentation of transfer from previous school
- b) latest report card
- c) original birth certificate
- d) immunization record
- e) verification of residence: mortgage agreement/tax bill or lease agreement, **and** two pieces of mail with name and address.
- f) proof of custody

For kindergarten registration, the parent is required to bring proof of the child's age. A child must reach his/her fifth birthday on or before December 1st to be eligible for kindergarten in the following September.

Students, upon enrolling in the Sayville Public Schools for the first time, shall be required to present a written record of immunization in accordance with the provisions of the New York Public Health Law.

CENSUS

To plan for the District's educational needs, we continually update our census data to identify all children, ages birth to 18, who reside in the District. New residents are asked to call the Student Services Office at (631) 244-6505 to provide us with pertinent family information. We also request that residents inform the District of new births. This information is vital to projecting future programs and determining building needs.

Safe & Drug-Free Schools & Communities Act

Under the SDFSCA, the Sayville Public School District has adopted and implemented a program to prevent the use of illegal drugs and alcohol by students and employees. These programs are coordinated among all grade levels and disciplines.

Copies of the Code of Conduct (*Board Policy 5300*) and the statement of sanctions (*Drug & Alcohol Abuse Regulation 5440*) are available to parents, students, and employees on the District website and through the Office of Student Services. Compliance with standards is mandatory under regulations outlined by the United States Department of Education.

STANDARDIZED TESTING

The New York State Board of Regents has set higher learning standards for all students. To reach these standards the State has developed tests that demonstrate the student abilities to read, write, listen, and use mathematics.

All students in Grades Three through Eight will take the New York Assessments in Mathematics and English Language Arts. Additionally, students in Grade Five will take the NYS Science Assessment; and students in Grade Eight will take NYS Science and Technology Assessments. Terra Nova Assessments will be given only to students in Grade Two.

At the high school level, the Board of Regents is phasing in new Regents Tests and increased graduation requirements. For further information on these new tests and graduation requirements, please refer to the student handbook or contact your child's guidance counselor.

Notice of Rights

PARENTS AND ELIGIBLE STUDENTS REGARDING STUDENT RECORDS

FERPA Notice

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s educational records. They are:

(1) The right to inspect and review the student’s education records within 45 days of the day the District receives a request for access.

Parents or eligible students should submit to the District’s Records Access Officer, hereby referred to as the administrator, a written request that identifies the record(s) they wish to inspect. The administrator will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask Sayville School District to amend a record that they believe is inaccurate or misleading. They should write the administrator, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee,

such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. The District intends to forward records on request of that district.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington D.C.
20202-4605

RELEASE OF INFORMATION ABOUT STUDENTS TO THE PUBLIC

Unless an objection to any of the specific items of information following is **submitted to the children’s building principals in writing—before September 30 each year**—by parents or legal guardians, or by those students themselves who are over the age of eighteen years, the Sayville Public School District herewith gives notice of intention to provide, release or publish such newsworthy information that **pertains to student achievements, milestones, or accolades as well as worthwhile services they have performed.** Whenever it is appropriate, the following information may be included in the news coverage: name of student, age/grade, names of parents, major field of study, photographs, student

participation in recognized school activities, extracurricular activities and sports programs, academic honors, achievements, awards, scholarships and similar information.

As a press release this information will be submitted for publication in print media that includes local, school or student newspapers, magazines, yearbooks or other outside publications, daily or weekly newspapers, athletic programs, musical or theatrical programs, or news releases.

In addition, the School District intends to display, post, and show videotape of students at school functions and/or activities for use with classroom instruction.

Also whenever appropriate,

such press releases about students may be filtered when submitted to electronic media, such as the school web venues, and other electronic media outlets, such as Newsday, the Patch, etc.

Under Title 45, U.S. Code, Part 99, Privacy Rights of Parents and Students, **parents who do not desire press release coverage during the current academic school year must make specific requests in writing to the building principals and a copy submitted to Sayville Public School District Public Relations, 99 Greeley Avenue.**

Code of Conduct

The Board of Education is committed to providing a safe and orderly school environment where students may receive, and district personnel may deliver, quality educational services without disruption or interference. Responsible behavior by students, teachers, other district personnel, parents and other visitors is essential in achieving this goal.

The district has a longstanding set of expectations for conduct on school property and at school functions. These expectations are based on the principles of civility, mutual respect, citizenship, character, tolerance, honesty, and integrity.

The Board recognizes the need to clearly define these expectations for acceptable conduct on school property, identify the possible consequences of unacceptable conduct, and ensure that discipline when necessary is administered promptly and fairly. To this end, the Board adopts this Code of Conduct (“Code”).

Unless otherwise indicated, this Code applies to all students, school personnel, parents, and other visitors when on school property or attending a school function.

Dr. Marc Ferris
Superintendent of Schools

REPORTING VIOLATIONS OF THE *CODE OF CONDUCT*

Any student with knowledge of threatening or planned violent behavior by another, or any student observing a student possessing a weapon, alcohol or illegal substance on school property or at a school function shall be encouraged to report this information immediately to faculty, staff or an administrator.

THE COMPLETE TEXT OF THE CODE IS INCORPORATED INTO THE BOARD POLICY MANUAL. THIS DOCUMENT IN NO WAY LIMITS THE SUPERINTENDENT OR THE BOARD OF EDUCATION IN TAKING WHATEVER ACTION IS NECESSARY TO PROVIDE A SAFE SCHOOL ENVIRONMENT.

SHARED DECISION-MAKING TEAMS

WHAT IS A SHARED DECISION-MAKING TEAM ?

EACH OF THE FIVE SAYVILLE SCHOOLS HAS A SHARED DECISION-MAKING TEAM. THE SHARED DECISION-MAKING TEAM HOLDS ITS MONTHLY MEETINGS TO FURTHER THE INTERESTS OF ACADEMIC EXCELLENCE.

The Shared Decision-Making Team is a group of individuals consisting of school administrators, faculty members, and parents who meet “on site” at the school building to:

- *Develop goals for improving student achievement;*
- *Set goals for the building that are consistent with District goals and Regents goals;*
- *Build goals that should focus on student achievement and/or enhancing the school environment;*
- *The teams are also involved in the interview process for teaching positions.*

To be a parent team member, you must have a child in the school to which you are applying, be able to make a two-year commitment, and attend the monthly meetings. Not only are all parents invited to attend the monthly meetings, they are encouraged to get involved on subcommittees throughout the school year. For more information please reach out to the shared district coordinator Justin Arini at arini.justin@gmail.com

District NOTIFICATIONS

USE OF SCHOOL DISTRICT FACILITIES

A policy established by the Board of Education regulates the use of school facilities by community organizations. Requests may be made online at the Sayville Public Schools Website, www.sayvilleschools.org; navigate to Resources/Services then Buildings & Grounds. Since the school district must act upon each request, applications should be submitted well in advance of the date of intended use.

PESTICIDES

New York State Education Law Section 409-H requires all public and nonpublic elementary and secondary schools to provide written notification to all parents and persons in parental relationships, and to all staff regarding the potential use of pesticides

throughout the school year. The Sayville School District has taken the non-pesticide approach to pest control, known as an integrated-management program. The District maintains a list of persons who wish to receive 48-hour notification of certain pesticide applications. If you would like to receive 48-hour prior notification of

pesticide applications that are scheduled to occur in your school, please complete the Pesticide Notification form available in the district office and return it to the Sayville Public Schools Pesticide Representative c/o Danny Castellano at: 99 Greeley Avenue, Sayville 11782; (631) 244-6550, (fax) (631) 244-6543.

ASBESTOS

To assure that the Sayville School District provides a safe environment for our students and staff, the district has completed inspections of its asbestos-containing material during the past year. These inspections are required by A.H.E.R.A. to ensure that any minor damage to asbestos-containing material is identified and repaired in a timely manner.

The asbestos-containing material identified throughout the district is restricted to mudded pipe joints in boiler rooms and resilient floor tiles. The pipe joints have been well maintained by the district's licensed asbestos management personnel and the asbestos in the floor tiles is in a dense form and not deemed hazardous.

There is a copy of the *ASBESTOS MANAGEMENT PLAN* available for public viewing in the office of each building. All questions regarding the operation and management of asbestos-containing materials in the district buildings should be directed to the District's Asbestos Compliance Officer c/o Danny Castellano at (631) 244-6550.
