

April 2023

Dear Sayville Families,

As the end of the academic year approaches, preparation for the 2023-2024 Fall Season begins. Please see the tables below for important upcoming dates regarding physical examinations, start dates, and registration information for the **2023 Middle School and High School Fall Athletic Season**.

Please note that all student-athletes **will be required** to have an updated physical examination before the season begins and **must** be cleared by the school nurse prior to participating. Families may choose to obtain a physical from their private care physician or choose to have a physical examination administered by the Sayville Public Schools appointed physician. The district's self-carry order form is also included in the correspondence for those families who require it.

Private Care Physician:

Families choosing to obtain a physical examination by their private care physician may upload a copy of the completed physical examination form when registering on Final Forms for the Fall athletic season: <https://sayville-ny.finalforms.com/parents/login>. For families new to Final Forms, we have included in this correspondence directions on how to create a new account and begin registration.

For Physical Examinations, please utilize the most up to date New York State Physical Examination Form, which can be found at: <https://www.p12.nysed.gov/sss/documents/health-exam-form.pdf>, which is also included in this correspondence.

School Appointed Physician:

Families choosing to obtain a physical examination from the Sayville School District physician may receive an examination on the dates below. Please ensure that the NYSED Health History Form is completed, signed, and brought to the physical appointment. The form can be found at: <https://www.p12.nysed.gov/sss/documents/interval-health-history-for-athletics.pdf>, and is also included in this correspondence.
