Overall Performance Details

This measures how much students are learning in each grade and whether or not they are ready for the next grade. It also shows how well a school or district prepares their students for success after high school in college, the workforce, or the military. State accountability ratings are based on three domains: Student Achievement, School Progress, and Closing the Gaps. Scores are scaled from 0 to 100 to align with letter grades.

To align with Senate Bill 1365, a Not Rated label is used when the domain or overall scaled score is less than 70.

Alternative standards were used to rate this school.
