Y11 – Y13 EDT Virtual Insight into University Course

This course is a comprehensive virtual experience allowing you to explore STEM studies at university and the career opportunities that these subjects can lead to. It will also give you access to information on student life, STEM projects and activities set by leading UK universities and global STEM companies, first year undergraduate lectures, live interactive sessions with academics, admissions tutors, employers and current students.

The course will run during the period 1st July – 23rd August 2024 and can be completed flexibly to fit around other commitments. On completion of the course, which involves 30hrs of study, you will receive a Silver Industrial Cadets Award. There is a charge for this course. Find out more information and apply here - [EDT Insight into University \(Headstart & Inspire\) \(etrust.org.uk\)](#)

Y12 AstraZeneca Work Experience

Applications for AstraZeneca's Yr 12 work experience week in Pharmaceutical Technology & Development and Supply Chain are now open. [Early Talent \(astrazeneca.com\)](#)

Y12 -Y13 – Meet the Students University Fair, 8 May 4.30pm – 6.30pm

Join this online fair to help you to prepare for university. Find out how to make the most of Open Days, tips for your Personal Statement, understanding Student Finance, choosing the right course and preparing for university life. You will also have the chance to talk to current students to find out what university is really like and hear their honest experiences and things they wish they had known. Sign up here [Meet the students: What is university really like? \(vfairs.com\)](#)

Y13 – Engineering Development Trust -year out work placements

Are you looking for a year long paid work placement post A-levels? This placement as an Operating Technician will give you the opportunity to check out STEM careers, make informed decisions about which study or career path to take and can lead to sponsorship or apprenticeship opportunities. See Mrs Foster for further details.
