CISSC at SAMS

Black History Month

Black History Month provides an opportunity for us to educate ourselves and our SAMS families on the contributions and experiences of African Americans throughout history. By understanding the struggles and achievements of Black individuals, we can gain a deeper appreciation for the diversity of our society and the ongoing fight for equality. It is crucial that we teach our children about Black history not only in February, but throughout the year. During this month, St. Andrews will be hosting a variety of events and activities to commemorate and honor Black history.

Communities In Schools has created a wall to honor the Black individuals who contributed to our history. Please take a moment and read about how these individuals contributed to our freedom.

Upcoming Events

February 22nd: Insiders

Communities In Schools is excited to announce that we will be virtually hosting the Insiders from the Departments of Juvenile Justice. The Insiders program allows members of DJJ who have excelled in changing their path to share their personal stories and experiences. This is a unique opportunity for our students to gain peer insight into the challenges and obstacles others have faced.

Parent/Guardian Raffle

Communities In Schools of South Carolina values their partnerships with parents and guardians. In efforts to continue building relationships, CISSC will hold a monthly drawing for parents and guardians who check-in through [this google form](#).
