

# Welcome

Welcome to the 2024 Summer Academy Program! This summer, we are offering many new courses designed to be engaging, interactive and fun. This year, we are using Infinite Campus as our student management system. Anyone who is interested in attending the Summer Academy program will need to register online between May 1-15, 2024. If you experience difficulties with any step of the online registration process, please reach out to Michele Bruno at: [michele.bruno@gdrh.org](mailto:michele.bruno@gdrh.org)

# Information

The Summer Academy program aims to provide students with academic and recreational courses designed to enhance their development by shining a spotlight on their creativity, leadership abilities and innovative ideas.
