

2024-2025 Sports Information

Physicals good for the entire 2024-2025 school year are scheduled for **June 3 and 4, 2024**, at no charge to the student athletes. Click on the Athletic Physical Information Tab on the left. All Physical Forms must be performed after **May 1, 2024** to qualify for the 2024-2025 school year.

Fall Sports Information

The fall sports season begins with practices starting on **August 12, 2024**. Varsity football heat acclimation practices start **August 5, 2024**. There must be an athletic physical on record in the athletic office prior to participation. The deadline to turn in the PIAA physical packet for fall sports is **Monday, July 29, 2024**. Please make a copy of the physical form for your records before turning the original packet in.

2024-2025 school year information necessary for every student athlete involved in participating for Bermudian Springs.

- The PIAA Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE) is the only form accepted for participation in the Bermudian

Springs athletic program. Please make sure that you have the 2024-2025 copy of the PIAA CIPPE form since there are some additions to the packet. If you plan to see your primary care physician, please take the form with you for the necessary signatures and date.

- Athletic physicals may not have been performed prior to **May 1, 2023** to be valid for the **2024-2025** school year.
- There are many signatures that are needed for the forms to be considered complete. Please make sure that all signatures are completed for both parents (10 signatures) and student athletes (4 signatures).
- Physicians must sign, date and check the necessary box for clearance for the physical to be valid.
- Insurance company and policy, group or ID information is needed on the form to be considered complete. If you need to purchase school insurance, it can be purchased from the administration office.
