School Wide (Tier 1) Data

Below is our school wide PBIS data from the 2021-22 school year to 2023-24. It includes our committees, implementation across the school, and fidelity and effectiveness of tier 1 practices. We remain committed to communicating our goals and practices with families. We survey families twice a year at family nights. Currently 92% of families know our school practices. Our goal for next year is to boost our family involvement. If you are interested in joining our team, please reach out to jaime.thompson@oshkosh.k12.wi.us or courtney.willert@oshkosh.k12.wi.us.

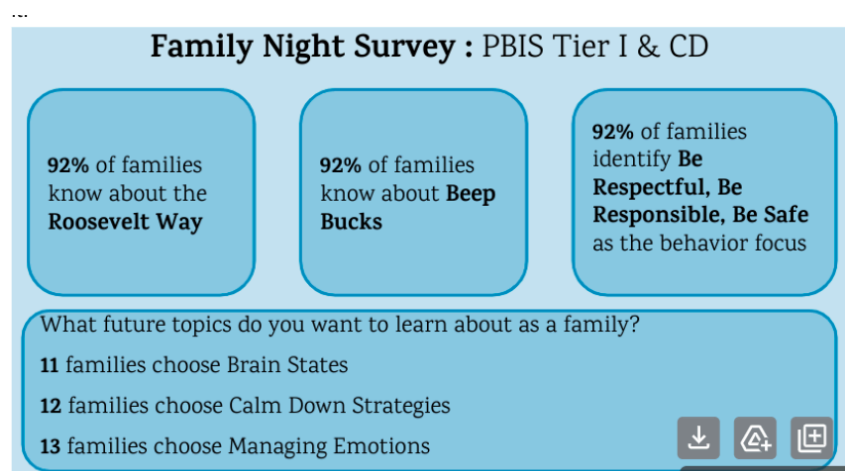

What is our Office Discipline Referral rate?

After we re-taught expectations and were consistent with our acknowledgment and consequence systems, there was a decline in the average number of referrals per day compared to last year. We ended the year with a significant decline of office referrals compared to the 2022-23 school year.

Thanks to all the families who attended Roosevelt's family night. Here are the results of our survey.

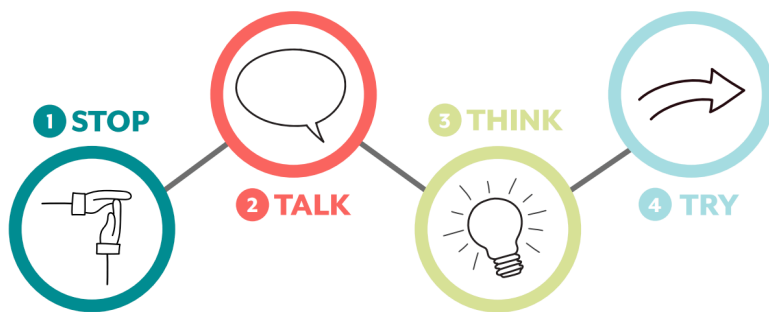

April Social Skills Lessons

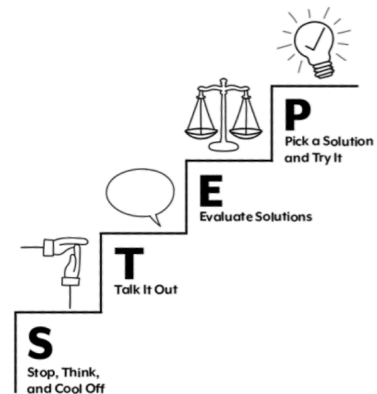

Last month's social skills centered around identifying problems and finding solutions. Communication is important for resolving issues. Students learned to share their feelings and perspectives in situations and to listen to and consider the feelings and perspectives of others. Students learned

to use the strategies "Step it Up" or "Stop, Talk, Think, Try" as a guide for coming up with solutions to conflicts.

STOP, TALK, THINK, TRY

 **STEP IT UP!** 

Bike & Walking Safety

Now that the weather is better, more students are walking and biking to school. It is important to remember to follow safety rules on your way to and from Roosevelt.

Bike

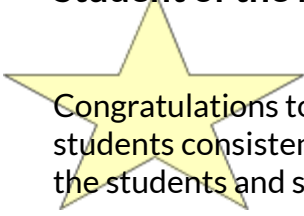

- wear a helmet and pads
- ride in bike lanes or on the sidewalk
- walk your bike across the street
- cross at the crossing guard
- walk your bike on school grounds

Walk

- wear comfortable shoes
- stay on the sidewalk
- cross at the crossing guard
- walk when crossing the street
- look both ways before crossing

Student of the Month

Congratulations to the following students for following the Roosevelt Way! These students consistently demonstrated expected behaviors and set a positive example for the students and staff at Roosevelt. Thank you for being respectful, responsible, and safe.

Harper, Hayden, Ellie, Hasan, Liz, Jack, Jakila, Genesis, Jayden, Rylie, Rimsha, and Ethan

AND...

A shout out goes to Mrs. Solie's class for their leadership during the month of March to have the Golden Roadrunner outside of their classroom for the month of April. Way to go!

Expectation Acknowledgement

Beep Bucks- Students earn beep bucks by following school expectations. Beep bucks are exchanged for money to purchase school store items such as raffle tickets, school supplies, and toys

Feathers- These are given when a whole class follows the **Roosevelt Way** by being respectful, responsible, and safe. The class with the most feathers for the week gets to have the Golden Roadrunner outside their door, along with a reward like an extra recess or a special event day.
