### From the Floor

- Teachers: No new reports
- Parent Concerns
  - o Homework: A concern of the amount of time is being spent on the laptops by students. Students in the upper grades spend the majority of their day on their

laptops and then have homework on them. Davis will speak with teachers and get a feel for this concern.

- o Communication Platform: Parent brought up that SeeSaw is being used in addition to Dojo. Davis stated that some teachers still need some additional training in using Dojo and may have moved to something they know.
- Community:
  - o Nancy shared that the letter in regard to the teacher parking lot being paved was sent to the district. Two of the board members reached out to her and want this issue to get on the next Board Meeting's agenda. Erin shared that Jim Talbert with Ducksback Paving is meeting with her, Art, and Nancy to discuss what it would take to upgrade the parking lot. South Meadowfield Neighborhood sent a letter to the district regarding the parking lot as well.
  - o Nancy shared that United Way has chosen Meadowfield for their Pen Pal Program. Around 300 retirees are participating in this program.
