COUNSELORS CORNER

Hello Bulldog Parents & Guardians,

Last week, the counselors gave a presentation to juniors about money! Ask your junior students what they learned about credit, budgeting, and lifestyle costs! We will be continuing this presentation this Thursday for those juniors who have not yet received it.

Senior parents, please encourage your students to continue to work on their adult school and Edgenuity courses if they are enrolled. Deadlines are quickly approaching and many of these courses are crucial to graduation status.

SCHOLARSHIPS

Senior Bulldogs - THS Scholarships and Awards Night will be held on May 20th at 6:30pm to honor scholarship recipients. If your student has won an outside scholarship, we want to recognize their achievement. Please connect with the College & Career Center by May 3rd if there are any applicable scholarship awards so that this can be included in the program and ceremony. Have your student stop by A104 right away or email sprice@tusd.net to share the scholarship award details.

Junior and Senior Bulldogs - Did you know that the [College & Career webpage](#) provides a vast list of scholarship opportunities? Please encourage your student to review the requirements, deadlines, and to act quickly! Jr. students should get a jump start on coordinating their letters of recommendation (LORs), drafting their personal statement/essay(s), or completing community service hours. These items may help increase their competitive edge for scholarship consideration.
