Dear Parents,

Welcome to the 27J Schools Child Care and BOOST (**B**etter **O**ut **O**f **S**chool **T**ime) Programs, and thank you for the opportunity to be a part of your child's life. As the Managers of the 27J Schools Child Care Programs, our goal is to provide a safe and fun learning environment for the children and promote success for each child as a unique individual. As BOOST Programs, it is our commitment to provide high-quality STEM activities to bolster children's interest in Science, Technology, Engineering, and Math. We are able to achieve these goals by offering a wide range of activities that promote individual success, team building, and peer mentoring.

Please read through the **Parent Handbook**. It contains the policies and procedures for the program, as well as important billing and scheduling information.

For the 2024-2025 school year you may enroll your child or children online at <http://brighton27j.revtrak.net>. Enrollment must be completed at least 24 hours prior to your child's first day in the 27J Schools Child Care Program. If you do not have access to the internet, you may utilize a computer at your child's school or at the District Educational Services Center.

Thank you for registering your child in our program. We hope your child will enjoy their out-of-school time with us. If you have any questions or concerns, please contact your Site Manager or District Childcare Coordinator.

Sincerely,

27J Schools Child Care & BOOST Managers

Full Day Monday Lunch: Children must bring lunch for the Monday program they attend. NO LUNCH WILL BE PROVIDED.

Late pick-up policy: Children must be picked up no later than the posted closing time. A late charge of \$2.00 per minute will be charged beginning one minute after the posted closing time. **Payment of the late charge must be paid on the following month’s invoice. No child will be left unattended. If children are not picked up by 6:05 p.m. or 5 minutes past the designated program closure time in case of inclement weather, staff will make every attempt to contact the parents or persons authorized to pick up the child. However, if we are unable to contact authorized persons, we will call the police department at 6:30 p.m. or ½ hour past the designated pick-up time in the case of early closure.

For before or after school care, students must be enrolled a minimum of 3 days per week, Tuesday through Friday. For Monday care, students must be enrolled for all Mondays. Should your child attend the Monday, Summer, Before School, or After School Program and will not be in attendance on a particular day please call your site manager to excuse them. If you do not excuse them from

the After School Program on their scheduled day, we will first call those listed on your registration form and pick up list. If we cannot get in contact with anyone on this list and cannot confirm that the student has been picked up, our next step is to call the authorities. The children's safety is our priority and your cooperation with this is much appreciated in order to make sure all children are safe and accounted for.

Check Policy and Procedure

PAYMENTS MUST BE MADE ONLINE. NO CASH, CHECKS, OR MONEY ORDERS WILL BE ACCEPTED.

DROP-OFF/PICK-UP/LATE ARRIVAL PROCEDURES

All students will be checked in by staff daily. Students will be signed in and out by program staff or the designated and identified pick-up person. A site-specific plan for drop off and pick up will be given to you before your student attends.

The 27J Schools Child Care Program **REQUIRES** that all students attending the after school and summer program be signed out of the program by a staff member every day to a person of at least 18 years of age. Persons under the age of 18 may pick up only if a signed waiver is in the child's file. Please make sure that all persons who are allowed to pick up your child are documented on the online registration form. A photo I.D. is required at the time of pick up.

Parents/Guardians will provide a list of people who have permission to pick up their student(s) on their registration form. Parents may change the information both verbally or in writing. If given verbally, staff must document the time, date, who, etc. Staff will work to verify the identity of anyone who calls to make a change to the authorized pick-up list. Whoever receives this verbal or written message is required to make sure the other staff is aware.

Children will not be allowed to leave with any person who is not authorized by a parent. People who are not authorized will be asked to leave. If that person does not leave, the police department will be called. All persons picking up children are required to show a photo I.D. at the time of sign-out. If you are a visitor, you must show ID and sign in/out on our visitor's form. Due to enhanced health and safety practices, visitors are strongly discouraged at this time.

In the case of separation or divorce, if a parent identifies himself/herself, we will not deny that parent their visitation privileges without a specific court order, restraining order, or legal document in the child care file denying such visitation.

All students must be picked up by the posted program closing time. Parents will pay a late fee of \$2.00 per minute beginning the minute after the program closes. If students are not picked up within five minutes of the posted closing time, staff will make every attempt to contact the account holder. If they are unable to contact the account holder, they will contact the persons listed on the emergency contact form. If children are not picked up within 30 minutes of closing, local authorities must be contacted, per licensing regulations.

ACCOUNTABILITY OF CHILDREN IN OUR CARE

In order to ensure that staff members are able to identify where children are at all times, the following procedures will be adhered to. Staff will take attendance at intervals throughout program hours. Per state statute, students will be within eyesight of a staff member at all times (excluding common expectations of privacy such as using the restroom). Students will be in groups no larger than 15, will remain in the same group with the same staff member and will be expected to adhere to current social distancing and mask guidelines.

If a staff member takes a group of children to another area, the staff member will advise other staff members of where they are going and which children are with them, and a note will be posted where the group is located.

At the end of every day, staff will ensure that all children have been picked up by checking all areas where the program is located, as well as checking the attendance list to ensure that all children have been signed out.

Parents must help us ensure the accountability of all children by making sure the “Drop-off/Pick-up Procedures” listed above are followed. Staff members will be responsible for ensuring these procedures are followed.

FIRST AID AND HEALTH CARE

All policies and procedures established by the school will continue to apply in the 27J Schools Child Care Program. For each activity offered, a list of safety rules will be taught and enforced. If an accident occurs, the following procedures will be followed:

1. Supervisor or teacher will assess the seriousness of the accident and apply appropriate first aid procedures.
2. Parents will be notified immediately if the supervisor feels this is warranted.
3. EMS will be notified if necessary.
4. A 27J Schools accident report will be completed and filed with the District.

For Minor injuries: Staff members will assess the seriousness of the accident and apply appropriate first aid procedures. Parents will be informed of the incident when they pick up their child. An accident report form will be completed, read and signed by the parent. A copy of this report will be given to the parent, and placed in the child’s file.

For Serious injuries: Staff members will administer first aid while parents and the site Manager and/or District Nurse are being contacted. If it is necessary, an ambulance will be called. Whenever possible a staff member will escort the child to the hospital until parents arrive. If parents cannot be reached, the emergency contact numbers on the child’s emergency card will be called until someone is notified. A report will be made to the licensing agency within 24 hours of the emergency.

Illness Policy: A child who is ill upon arrival at the program shall be separated from the other children until the parent or guardian can pick up the child. A child who develops a fever, respiratory illness symptoms, rash, is vomiting or has diarrhea, or is too ill to participate in the daily activities will need to be picked up. If your child is sent home due to illness, you must pick up your child within 1 hour of notification. In the event of communicable illness, all CDPHE guidelines will be adhered to. Please consider, if your child attends a program with an illness, it is likely to spread. Please see the enclosed addendum for COVID-19 specific policies.

Please inform the staff of any health concerns, physical limitations, asthma, and/or allergies that your child may develop.

MEDICATION

We administer medication in compliance with the Nurse Practice Act.

All medication must be checked in with a child care staff member. Medication must be in the original container with directions for administering the medication. Before prescription and/or over the counter medication may be administered, a signed prescription form from the doctor and a signed permission form from the parent or guardian must be on file. If medication and/or dosages changes, we will need new forms signed and on file.

All controlled substances will be stored in compliance with the Nurse Practice Act.

EMERGENCIES

Emergency drills will be conducted periodically during the year.

A fire plan has been established by the fire department and staff members will escort the children out of the building to safety. Fire extinguishers are located strategically in the school. The children will be instructed where to go for all situations.

Tornado drills require that all program participants be instructed where to go in the safest position possible until the tornado has passed.

Lock Down/Lock Out drills will be regularly conducted in accordance with school procedure.

Lightning is common in Colorado and precautions are taken to get children to safety immediately if lightning storms appear. Children will be kept inside on days where extreme heat or atmospheric conditions pose health concerns.

LOST CHILDREN

In the event your child should be separated from his/her group, or determined missing from the program; the lead staff member will follow the steps listed below:

1. Determine if the child is actually LOST.
2. Go to the area where the child was last seen to look for the child.
3. A call will be issued over the public address system for the child to report to the program.
4. Check to see if the child is in a nearby restroom.
5. Check to see if the child is with a nearby group or with another staff member.
6. Check to see if other children in the group have seen the missing child.

If these steps have been followed and the child is determined to be missing, the following steps will be taken:

- The Manager/Coordinator will be notified.
- The parent or legal guardian will be notified.
- 911 will be called.
- The site's State Licensing Representative will be notified, and an incident form will be filled out and submitted to the Department of Human Services.

DISCIPLINE

It is the responsibility of staff members to provide a safe environment for all participants. School rules and behavior are maintained during the 27J Schools Child Care Program. Staff follow the Love and Logic model when dealing with discipline issues. Respect toward adults and other children are expected, and children are expected to take personal accountability for their actions. Please read through these policies and procedures and discuss them with your child. It is important that all parties understand the potential consequences of their actions.

Minor discipline problems will be addressed in the following manner:

- The staff members will document the incident in a behavior log. The Behavior Log is a record kept of the disciplinary action taken.
- Logical consequences will be given for minor discipline situations.
- The Think Sheet/Refocus Form will be filled out by children who are having repeated discipline problems. If three think sheets/refocuses are done and behavior continues, the behavior will be considered serious.

Serious behavior issues, including but not limited to, profanity, physical or verbal threats, disrespect or rudeness towards staff members or peers, continued refusal to follow best health practices, physical acts of violence to self or others, and destruction of property will be addressed in the following manner:

Much like the system already in place for the school, the Child Care Program has a *Discipline Ticket* procedure. The first time a child receives a discipline ticket, they will have a “refocus time” to process with a staff member and decide on a logical consequence. Parents will be notified of the Discipline Ticket on that day. A signature by the parent, child, staff member, and site Manager is required on this form. The Discipline Ticket then becomes a contract between the District 27J Child Care Program and the child. The second time the same or similar behavior occurs, the child will be suspended from **all** *Child Care* Programs for one day. There will be no credit given for days missed due to suspension from the program.

Should a third Discipline Ticket be issued for the same or similar behavior, the child will then be **removed from all** 27J Schools Child Care Programs for a duration to be determined by the Manager/Coordinator. Depending on the severity of the behavior, the child may be removed from all 27J Schools Child Care Programs indefinitely. Please understand that this may be a necessary step in creating a safe environment for all the children in our programs. 27J Schools Child Care staff members are committed to using redirection, positive reinforcement, compassion, and logical consequences whenever possible as a preventative to this policy.

TERMINATION OF SERVICES

Severe or habitual offenses will result in termination from the 27J Schools Child Care Program. Decisions to terminate services will be done at the discretion of the site Manager and District Coordinator, and may be immediate in certain cases for the safety of the children and staff. The parents will receive written confirmation of the termination of services. If a child has been terminated from the program for disciplinary reasons, he or she may not return to the program at any of the Child Care Program locations. Fees will be prorated and refunded accordingly.

Termination from the 27J Schools Child Care Program may also occur if any account is not paid in full by the disenrollment date. You will be notified by telephone or by email if that becomes necessary. Students terminated for lack of payment **MAY** be enrolled again when the **account is brought current and if space is available**. In this **case a new registration fee will be required**.

SCHOOL SUSPENSION POLICY AND PROCEDURE

In the event your child is issued a suspension from school, the suspended child will be unable to attend any child care program for the duration of the suspension. The site Manager is to be notified of any suspension and treat each situation accordingly. When a child is suspended from school, there will be a mandatory meeting between the Manager and the parent/guardian to have an open discussion of steps to take to help ensure the behavior ceases. These steps may include termination of services depending on the severity of the behavior.

CHILD ABUSE REPORTING

As a State Licensed Child care program, we are required by law to report all suspected child abuse/neglect. 27J Schools Child Care staff members are required by law to report any forms of child abuse observed or suspected. They are also required to report abusive or neglectful incidents that have been reported to them.

SNACKS

A nutritious snack will be served during the after school program, and in the morning and afternoon during summer and on Mondays. If students choose to bring their own snack, they may eat it at this time.

AMERICANS WITH DISABILITIES ACT COMPLIANCE

27J Schools Child Care Programs admit students ages five through twelve. Every child in our program is cared for to their individual needs. Please notify the site manager of any specific needs prior to the beginning of the program.

All Children will be individually assessed at the time of enrollment. In order to ensure every student's success, children identified with a disability under the Americans with Disabilities Act, that require one on one support, must have appropriate support staff in place on their start date. Staffing will be provided by 27J Schools, at no additional cost.

PERSONAL BELONGINGS

Children only need items required for daily school activities. As such, the bringing of toys, games tablets, cellphones, personal music players and smart watches is at the discretion of the Site Manager. Staff members are not responsible for any lost or stolen items. Items that create a behavior conflict will be confiscated by staff. Parents may collect any confiscated items at the end of the day. Any personal belongings left at the Before/ After/Monday/Summer Programs will be collected by the staff, and placed in the school's LOST AND FOUND box.

INCLEMENT WEATHER/EMERGENCY CLOSING

In case of inclement weather, alternate activities will be offered indoors. During extreme heat water, shade and indoor activities are provided. For weather information regarding temperature, please refer to the Child Care Weather Watch Chart that is located on the site information board. When the School District has a snow day the Child Care program is also closed. When there is a Delayed Start Day for the District and school starts 2 hours later, the morning Child Care program will open 2 hours later. Children must be enrolled in the Before School Program for that day in order to attend a delayed start day as no drop ins will be permitted. There will be after school care on the Delayed Start Day.

Should schools close due to ongoing health concerns, child care programs will close in accordance with public order. This may include closure due to staffing shortage.

There will be NO AFTER SCHOOL PROGRAM on days when school is closed early due to severe weather or other emergencies. Full Day Monday and Summer programs will close at the designated time should an early closure due to weather or other emergencies occur. Parents will be notified to pick up their child within ½ hour of the designated closing time.

STAFFING

Child care staff members are available during hours of operation Monday through Friday, when school or full day program is in session. We provide a ratio of one adult per 15 or less students at all times. Please note that due to ongoing staffing shortages, sites may have decreased capacity limits.

VISITORS

All persons entering the school must be acknowledged by a staff member. We require all visitors to sign in on the visitor log. Visitors are asked to give a reason for the visit and will be required to show proper identification.

WITHDRAWING/TERMINATION FROM THE PROGRAM

In rare cases, we may ask parents to remove a child from care for reasons other than failure to pay. **An example of this would be if a child is hurting or endangering themselves or other children or staff.** We will notify parents of the need for immediate pick up should such incidents occur, and the child must be picked up within ½ hour of the notification. In certain cases, authorities may need to be called to protect the safety of the children and staff.

If your family wishes to discontinue services with the District Child Care Program, **parents must inform the site Manager in writing two weeks prior to withdrawing.** Only the account holder will be permitted to withdraw the child from the program. No refunds will be given if 2-week notice is not received.

SCHEDULE CHANGES

Schedule changes must be received by the 10th of the current month to be effective for the next month.

FIELD TRIPS AND TRANSPORTATION

The 27J Schools Before and After School Program will not offer field trips. All activities will occur on the school grounds. Therefore, the program will not offer any type of transportation for the students enrolled in Before or After Care on Tuesday through Friday. For Mondays and for Summer programs field trips may be provided. On field trip days, no alternative activities will be provided, nor will credit be given, should the child not attend the field trip.

MOVIES

The 27J Schools Child Care Programs may view G/PG movies if they have a permit or have a copy of the school's permit and movies are approved by the site Manager. Educational movies can be viewed without a permit if it pertains to the theme or is written on the lesson plan. A movie permission check box is provided on the registration form.

VIDEO GAMES

The 27J Schools Child Care Program will use "E" rated video games for enrichment purposes which will be provided and determined by the Site Manager. A video game permission check box is provided on the registration form.

MEDIA RELEASE

Occasionally, during the course of normal programming, students are photographed or otherwise recorded for media use. Parents who do not wish to have their students recorded must fill out the attached opt out form. It will be assumed that any student who does not have an opt out form on file will be permitted to be recorded, and that the recording will be released to the public.

SOCIAL SERVICES LETTER TO PARENTS

Dear Parent:

Your child was recently enrolled in a child care program that is licensed by the Colorado Department of Early Childhood Services. The license indicates that the program has met the required standards for the operation of a child care facility. If you have not done so, please ask to see the license. Licenses are posted on the parent board at each school.

Most licensed facilities make every effort to provide a safe and healthy environment for children. Unfortunately, on rare occasions this is not the case and incidents of physical or sexual abuse may occur. If you believe that your child has been abused, you should seek immediate assistance from your county department of social services. The telephone number to report child abuse in your county is:

Adams County Social Services
7401 North Broadway
Denver, Colorado 80221
303-412-5212

Colorado law requires that child care providers report all known or suspected cases of child abuse or neglect.

Child Care services play an important role in supporting families, and strong families are the basis of a thriving community. Your child's education, physical, emotional, and social development will be nurtured in a well-planned and well-run program. Remember to observe the program regularly, especially with regard to children's health and safety, equipment and play materials, and staff. For additional information regarding licensing, or if you have concerns about a child care facility, please consult the Colorado Office of Child Care Services at:

303-866-5958.

Student Media Release Opt-Out Form

To publicize the achievements of our students and the great work they perform, we would like to occasionally publish students' names, photographs, or achievements in our school publications or release the information to local media (newspapers and television). SUMMER ADDENDUM 2024

27J Summer Program Second Creek, Thimmig, Brantner and Padilla Elementary

Dear Parents and Summer Program Participants:

We would like to take this opportunity to welcome you and your children to the 27J Schools **Summer Program**. We are looking forward to providing an exceptional, fun-filled summer program for the children. Please read through the **Parent Handbook**, as it contains the policies and procedures for the program, as well as important billing and scheduling information. **To register for the program, we require all families to register online at <http://brighton27j.revtrak.net>.** Enrollment must be completed 24 hours prior to your child's first day in the 27J Schools Summer Program. If you do not have access to the internet, you may register at your child's school. **Please note that Summer registration is for ALL 9 ½ WEEKS!**

You will receive an activity calendar prior to the start of the Program. Please keep this available as it gives you valuable information on activities. Following are some additional tips for you so that your child has a memorable experience.

- ☀ **Sun screen is needed every day. Please provide a clearly labeled bottle that is at least SPF 25. Remember, staff are not allowed to apply sunscreen to children. It is helpful if it is applied once at home before dropping off in the morning to give the sunscreen time to soak in and begin working. We will supervise the children in re-application throughout the day.**
- ☀ **A personal water bottle is required so that children remain hydrated. Drinking fountains will not be available, however, there are several bottle filling stations throughout the school. Please clearly label all items with the child's name.**
- ☀ **The wearing of flip-flops in the Summer Program is strictly prohibited. All footwear must have a back, or strap around the back of the foot. Should there be a water day, tennis shoes or water shoes may be worn. Children are also encouraged to bring sun hats.**
- ☀ **Children are encouraged to bring a backpack every day with their personal items in it. Please clearly label all personal items (towels, water bottles, sun hats, etc.).**
- ☀ **Children will have a laundry basket available to them at the school to keep their backpacks and other items in.**
- ☀ **Children must bring a lunch every day. A morning and afternoon snack will be provided by the program. Lunch must be nutritious and contain at least 3 items from the food pyramid. Should a child not bring a lunch, parents will be contacted.**
- ☀ **We do not allow electronics, toys, games, etc. unless otherwise instructed, as we cannot be responsible for loss, damage or theft.**

Please do not hesitate to contact us should you need additional information prior to the start of the Program. We look forward to meeting you!

Sincerely,

27J Schools Summer Program Staff
