SOCIAL-EMOTIONAL SUPPORT

The mental health of our students is vital for their academic and personal growth. To support this, our dedicated counselors in the Elementary and Middle/High School divisions are available around the clock, walking side-by-side with our students to ensure their safety and well-being.

SERVICE LEARNING

Community is our middle name. Serving others, on and off campus, is part of our DNA – from our littlest Knights, who are taught to recognize the contributions of others and express appreciation through small acts of service; to the oldest high school students, who tackle week-long service learning opportunities abroad and confront real world issues head-on.

PARENT-TEACHER FELLOWSHIP

The heartbeat of our community, the PTF actively supports the ICS mission by playing a central role in driving our campus events and activities.

- If the 2nd-semester payment is not received by December 1st, ICS will not guarantee placement for the student.

GIRO INSTALLMENT SCHEDULE

ICS offers families a monthly installment plan through automatic bank deductions via GIRO (not applicable to corporate payers).

- The GIRO Payment Plan incurs a S\$200 Setup Fee for all applications received after May 31.
- The Setup Fee is waived for first applications (signed and error free) received by May 31 to finance@ics.edu.sg.
- Applications should be submitted before the May 31 deadline to allow time for resubmission in the case of errors.
- The most common reason for bank rejection is when the applicant's signature on the GIRO application does not match the applicant's signature held at their bank.
- A returning student's GIRO application that is not received and accepted by their bank by July 15 will incur an Administrative Fee for late payment.
- Upon receipt of a student withdrawal notice from classes, the full balance of tuition and fees due may be withdrawn via GIRO immediately.
- Contact the business office, finance@ics.edu.sg, for the GIRO application forms.

Tuition payments will be made on the following schedule through GIRO.

uKnighthed Fund

Since our humble beginnings in 1993, ICS has been committed to providing a high-quality American-based curriculum with a biblical worldview to students from all walks of life.

Today, as we celebrate more than 30 years of educational excellence, our mission to "Educate minds and transform lives to impact the world for the glory of God" remains steadfast. However, we require additional resources to continue offering exceptional education and expanding our support to those in need.

The uKnighthed Fund is a fundraising initiative to improve and enrich the educational environment and ensure that education remains accessible and impactful. Your generous support will be directed towards upgrading our campus facilities, expanding our educational program, and providing financial aid to missionary families and families facing financial challenges.

As one of the few not-for-profit international schools registered as a charity in Singapore, we are governed by parent volunteers, not investors. This means every dollar donated to this fund is invested back into the school.
