Required Pedagogy Assessments

The following pedagogy assessments are approved for certification in classroom teaching fields in the state of South Carolina. Candidates seeking certification in service fields (i.e., School Counselor, School Psychologist, School Librarian, and Speech-Language Pathologist) or in leadership fields are not required to take a pedagogy assessment.

Standard Pedagogy Assessment: Praxis Principles of Learning and Teaching (PLT)

Unless PPAT or edTPA is required by the educator preparation program as part of the student teaching experience, most candidates seeking certification will use the PLT to demonstrate knowledge of pedagogy.

Other Approved Pedagogy Assessments: Praxis PPAT and edTPA

Effective January 1, 2018, the SBE adopted the teaching performance assessments, edTPA and PPAT, as options for South Carolina’s educator preparation providers to implement within approved teacher preparation programs. These assessments are comprised of a series of performance tasks that candidates must complete as part of a portfolio that is submitted to the respective testing company for scoring. Candidates who are required to complete one of these performance assessments during student teaching to fulfill requirements of the preparation program in which they are enrolled may use a qualifying score on edTPA or PPAT for certification in South Carolina. Out-of-state applicants who completed edTPA or PPAT during student teaching may also use a qualifying score on one of these assessments for certification in South Carolina in lieu of the PLT.

Praxis PPAT (Administered by ETS)

Candidates enrolled in teacher preparation programs requiring PPAT will receive comprehensive support and assistance from program faculty regarding the performance tasks that comprise PPAT.

PPAT All Areas	36

edTPA (Administered by Pearson Evaluation Systems)

Candidates enrolled in teacher preparation programs requiring edTPA will receive comprehensive support and assistance from program faculty regarding the portfolio assessment or handbook required for their specific certification area (e.g. Early Childhood Education, Mathematics, etc.). Qualifying scores are based on the number of performance tasks or rubrics within the specific handbook.
