The mission of the Chappaqua Schools is to create a community for learning, where students, parents and staff are joined in the pursuit of academic excellence and personal growth in a caring environment. We seek to develop each student's full potential through a challenging curriculum, a diversified faculty and a commitment to intellectual freedom. We will nourish our students' emotional lives and guide their social development, instilling in them an appreciation of self-worth, of individual difference and of global interdependence. We will help them learn how to manage freedom and to act ethically so that each may become a responsible, contributing member of society.

April 2024

Dear Chappaqua Central School District Community,

As we prepare for the upcoming school year, we are pleased to present to you the proposed 2024-2025 school budget for your consideration on May 21, 2024. Our budget prioritizes continued excellence in our K-12 academic program, supports student well-being and emotional development, improves safety and security, and provides important facilities upgrades.

Through the thoughtful work of our administrative team, staff, and community members, the entire budget process is a collaborative effort that results in the thorough examination of our educational programs, practices, and infrastructure, as well as the guiding principles and operating standards of the District.

The proposed 2024-2025 school budget reflects our commitment to the following:

- Responding to the Board of Education's Strategic Questions
- Continuing on the path of our 5-year strategic plan
- Providing access to innovative technology and devices for students
- Reducing elementary class sizes to enhance individual student attention and support
- Addressing safety improvements as a response to community and staff input
- Supporting rigorous academic programs, curriculum development, and professional learning for our teachers and staff

The proposed budget for the 2024-2025 school year is \$141,856,238, representing a \$3,559,952, or 2.57% increase over the current budget.

With this proposal, the tax levy (revenue from real property taxes) will increase by 2.99%.

EXPLANATORY NOTES: SPECIAL EDUCATION

By law, each district must have a Committee on Special Education. The Committee is responsible for identification, evaluation and placement of designated children with special needs. Chappaqua seeks out the most appropriate programs in district schools or, when district programs cannot accommodate them, in Board of Cooperative Educational Services (BOCES) programs or other public or private schools. This category includes salaries of special education teachers, speech teachers, occupational therapists, physical therapists, teaching assistants and office staff.

BOCES Services: Services provided by both Putnam/Northern Westchester and Southern Westchester BOCES include counseling and psychiatric services, speech and language services, services for the deaf, therapeutic support and other services on an as needed basis.

BOCES also provides support for reporting, testing, and staff development.
