**Opening Meeting**

Welcome to the livestreamed Work Session of the Berea City School District on June 7, 2021.

This is a meeting of the Board of Education in public for the purpose of conducting the School District’s business and is not to be considered a public community meeting. There is time for public comment during the meeting as indicated in this agenda.

The Board of Education is a decision-making group. The public may express sentiments to assist the members in making decisions, but time spent answering routine questions or criticisms takes time from the Board’s business meeting. Questions about operation of the schools should be directed to your child’s teacher or the administrator of the school. Items on the agenda normally include reports from the Board and/or from the Superintendent or his/her staff. These reports do not require formal Board action, but they are relevant to the operation of the schools. Action items on the agenda require formal action by the Board. These items are presented to the Board in motions by Board members, or in recommendations by the Superintendent. Routine business - for efficiency of operation, the Board condenses items of routine business into lists or schedules, and presents these for action as consent agenda items. Board members receive their meeting agendas on the Wednesday preceding the meeting. This provides the opportunity for Board members to review all agenda items and associated exhibits well before considering action.
