

School Bus Scheduling and Routing

Actual bus stops and routes will be determined by the transportation supervisor and will be based upon efficiency, safety, Board policy and applicable state and federal laws and rules.

The determination of safe roads for school bus travel will be made by the transportation supervisor.

The superintendent will:

1. Annually review and assess school bus routes, stops and loading zones for safety, changing student population and supervision of students;
2. Advise parents of any changes in transportation policy affecting their students as early as possible and be responsive to parents' calls for assistance in seeking alternatives to busing; and
3. Work with cities, the county and other appropriate governmental agencies on a continuing basis regarding transportation issues.

School bus routes will be planned and organized to ensure student safety and receive the maximum bus use efficiency.

1. Student safety will be the major part of any route decisions.
2. Bus routing will be the responsibility of the transportation supervisor, or delegated representative, with the administrator's assistance.
3. Anyone requesting a route change will be referred to the transportation supervisor or delegated representative.
4. Route conditions will be reviewed routinely.
5. Routes will be planned to ensure the least possible amount of time elapsing from first pick-up to school, commensurate with economical efficiency.
6. Bus routes will traverse city, county, state or federal roads using district discretion.
7. Students living within one mile of school may be transported for health, safety and disability reasons when an approved supplemental plan is on file.
8. Secondary students eligible for bus transportation may be expected to walk up to one and one-half miles to a bus stop. Elementary students may be expected to walk up to one mile to a bus stop.

9. Where feasible, bus stops will be designated and students will be expected to gather at the assigned
