What Is Bullying

The word "Bully" or "Bullying" gets used quite a bit when talking about students and their behaviors. It's important that we use these words carefully as not all situations between individuals meet the definition of bullying. Sometimes people are just mean and sometimes people can intentionally bully one another.

What is bullying?

Bullying is aggressive behavior that is one-sided, repeated, and on purpose.
- There is an observed power imbalance between the students.
- It can be physical, verbal, visual or all of these combined.
- It can look like:

Name-calling or put-downs
Leaving someone out on purpose
Hitting, kicking or pushing
Mean gossip or rumors
Cyberbullying through texts, DMs, social media posts
