

Goal	Date of Implementation	How will Goal be Implemented	Outcome
Create a Student Wellness Survey to understand overall health of our district. Goal is to see 90% "I'm OK" or above scores		Ms. GoForth is going to look for a template we can make our own. Will email out to students.	
Hold 1 prevention training in the District each year (Tobacco, Vape, Alcohol and/or Suicide Awareness)		Look at trainings/ conferences and see what we can find.	
Flu shot Participation per staff and/or students 10 %		Get #'s from Kelby	
Increase lunch participation by 10% in 2023		Look at Meal Report Card and see what changes can be implemented.	
Host a Step Challenge for Staff in January		Meet the beginning of 24-25 to see how to implement.	
Host a district wide WalkAthon to support wellness		Meet the beginning of 24-25 to see how to implement.
