Let's start with the "why"

STUDENTS ARE PROVIDED WITH:

2023 Seal graduate from Brentwood UFSD

- An official Seal on their diploma;
- a notation in the program for their graduation ceremony;
- a medallion to wear at graduation;

WHY OFFER THE NYSSB?

- •To prepare students with 21st century skills
- •To recognize the value of language diversity

Supporting Multilingualism with the Seal of Biliteracy

A multilingual and multiliterate population has the potential to enhance academic achievement, advance intercultural competences, boost economic competitiveness, improve intergroup relations, strengthen national security, and leverage inequities in society.

The ever-increasing global and international interconnectedness calls for schools to offer extended language and academic opportunities for students to, at the very minimum, become biliterate and bicultural. Proficiency in more than one language benefits individuals and society alike.

Sonia Soltero, 2016

NYSED BLUEPRINT FOR ELL SUCCESS

- Districts and schools recognize that bilingualism and biliteracy are assets and provide opportunities for all students to earn a Seal of Biliteracy upon obtaining a high school diploma by providing all students with:
- Opportunities to participate in language learning or language support programs that lead to proficiency in English and other languages.
- Opportunities to use and develop academic language and content knowledge both in English and Languages Other Than English, including the student's home language.

NYSED BLUEPRINT FOR ELL SUCCESS

- Rigorous Bilingual Education programs for ELLs/MLLs aimed at maintaining and developing the home language and attaining English proficiency as well as biliteracy.
- Alternate pathways for those whose home language is low incidence and, consequently, the district does not have enough students who speak the same language to form a bilingual education program.

NYSED CULTURALLY RESPONSIVE-SUSTAINING MINDSETS

- Believing that students and their families are individuals with their own assets, knowledge, and abilities who should be valued and consulted.
- Student and community assets should be sustained and leveraged for academic achievement.
- Consider students as co-designers of curriculum and drivers of instruction (Jenkins & Healey, 2009)
- Embed community input into curriculum to reflect diversity of the local and global community.

MORE LANGUAGES=MORE OPPORTUNITY=MORE \$EN\$E

The American Council on the Teaching of Foreign Languages (ACTFL) and its Lead with Languages campaign, conducted a survey of 1,200 U.S. employers, and the resulting 2019 report, Making Languages Our Business: Addressing Foreign Language Demand Among U.S. Employers, indicates an urgent and growing demand for language skills in the workplace.
