

Become a Certified Virtual Teacher

The Virtual Teacher Academy for Preparation and Pedagogy (TAPP) allows individuals with a Bachelor's degree or higher to earn teacher certification.

Through the Train, Empower, Acclimate, Certify, Hire (T.E.A.C.H.) GCA program, teachers in training will become acclimated to teaching in a virtual setting, and be empowered to attain Georgia teacher certification while securing employment with Georgia Cyber Academy.

Become a certified virtual teacher through the T.E.A.C.H. GCA program.
