

New Administrators Announcement

April 18, 2024

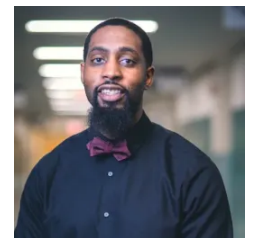

Dear Glendale-River Hills School District community members,

We are pleased to inform you that we will be making two important leadership changes in our District.

First, we have selected Anna Young, currently the Glen Hills Middle School Principal, to serve as the District's Interim Superintendent effective July 1, 2024. Ms. Young has more than 20 years of experience in Wisconsin public schools, working as a Teacher, Literacy Specialist, Associate Principal, and Principal. She joined our school community as the Glen Hills Principal in September 2020. Ms. Young led the middle school effectively through the COVID pandemic, demonstrating her ability to make strong decisions in difficult situations. She knows our school community's interests and needs, and she is well-positioned to move into the superintendency. In anticipation of her future role as superintendent, Ms. Young will immediately take the lead in our district's budget and finance work, while also finishing out the school year as our middle school principal. Ms. Young will work closely with Alyson Weiss, our outgoing superintendent, to come up to speed on all other District operations by July 1 to ensure a seamless transition.

Second, Willie Williams, currently our Glen Hills Associate Principal, will be appointed to serve as Interim Glen Hills Principal effective July 1, 2024. Mr. Williams has worked in education for 15 years in various positions from elementary to high school education. He is a proud alumnus of Morehouse College, where he fell in love with educating youth. He joined us as the Associate Principal of Glen Hills in July 2021 and has demonstrated his ability to lead our middle school effectively through culture building and consistent expectations for all. This has spurred better family communication and more student voice. Ms. Young will continue to mentor and collaborate with Mr. Williams to ensure a successful transition to the next school year.

We are excited to offer these opportunities for growth and advancement to candidates who have already shown their passion for and dedication to our students; who believe in empowering growth, connection, and success for all members of our learning community; and who are already embedded in the collaborative leadership work of our District. We are grateful for Ms. Young's and Mr. Williams's willingness to step up and meet the needs of our District community, and we look forward to collaborating with them to ensure that our students continue to receive an exceptional education.

In collaboration,

Danielle Bailey
School Board President
Glendale-River Hills School District

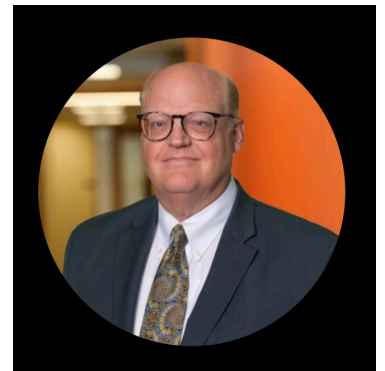

New Business Office Administrator Announcement

April 18, 2024

Dear Glendale-River Hills School District community members,

We are pleased to inform you that the Board has appointed Dr. Todd Gray to serve as the District's part-time Interim Assistant Business Coordinator effective July 1, 2024.

Dr. Gray served as a superintendent and business manager in Wisconsin public schools for decades, and is a highly regarded expert in the field of public school finance. He was retained by the District as a consultant in January 2024 to support and lead our work in evaluating budget challenges, problem-solving and correcting financial errors, and finding solutions going forward. His experience and expertise have been invaluable so far.

In his role as interim assistant business coordinator, Dr. Gray will support and guide our business staff in developing budget forecasts, establishing financial management processes and goals, and implementing sound business practices for the District. He will also serve as a resource to the Board and our new superintendent, Anna Young. We look forward to continuing to collaborate with Dr. Gray in responding to our District's budget challenges and building a fiscally responsible path forward.

In collaboration,

Danielle Bailey
School Board President
Glendale-River Hills School District
